

October 2023

Dear Families,

Conferences will be *open house style*. Open House is not individual styling, but allows flexibility to meet with the teacher(s) you feel would most benefit your child's success. All of your child's teachers will be available to meet in room 204. There is no need to sign-up for a conference, just stop by at your convenience to chat!

Some patience may be required when waiting for a particular teacher to finish another meeting.
