

WEEKLY UPDATE

August 17, 2020

Welcome to
Sixth Grade!

Week 3 begins! This week we rolled out new content and learning.

Parents have also shared some tips with us that helped them access Canvas courses and learning in a virtual environment. We took those tips and made a Best Practice document. Since these were from parents, we thought they might be something to share out with other parents. [Best Practice for Accessing Canvas.](#)
