COUNSELING/GUIDANCE

Students' counselors are highly qualified educators available to guide them in academic, vocational, and personal areas. To see a counselor, the student goes to the Counseling Center (before school, during lunch, or after school) to sign up for an appointment. Counselors send a pass to the student's classroom throughout the day. On occasions, teachers may ask the student to reschedule the appointment. Parents are encouraged to call for appointments. Students in crisis will be seen by the first available counselor.

EDUCATIONAL PLANNING

BCHS expects all students to develop a college or career plan through an online platform, MajorClarity. MajorClarity is a career and college readiness platform that helps ensure that every student's education leads to a successful career outcome—whether through a 4-year degree or going into the workforce. Counselors will assist students each semester with any changes or updates. Parents and students are encouraged to keep the plan updated as well.

WITHDRAWAL PROCESS

Students who withdraw from school for any reason must be accompanied by a parent/guardian. To begin the process, the student obtains the withdrawal forms from the counseling office. The student must also return all books, iPad, and their student ID cards to the bookstore prior to submitting the withdrawal form. Records will not be released until all debts are cleared. Students who transfer to another school receive a copy of the withdrawal form which lists the grades-to-date.

TRANSCRIPT REQUESTS

For unofficial transcripts, please see your counselor. To request an official transcript for the college admissions process, students should use the electronic process through Parchment to order transcripts: <https://www.parchment.com> Please allow up to 3 days for processing.

CUSTODY & LEGAL GUARDIANSHIP

If a court order limits the right of one parent in custody matters, a copy of that order must be on file in the school office. If a parent does not provide the court order, BCHS assumes that both parents have equal rights. Parents must provide schools with specific parenting time schedules in order for schools to comply.

A student who is in the legal custody of a natural or adoptive parent or other person to whom custody has been granted by a court order and who resides with the parent or other person within the boundaries of DVUSD are considered residents of the District. (Ref. DVUSD Policy JFAA)

Only a parent who has legal custody can make school decisions for a child. Unless there is a court order stating otherwise, the non-custodial parent has the right to review student records and meet with teachers.

For more information on applying for guardianship of a minor, please visit <http://superiorcourt.maricopa.gov/SuperiorCourt/JuvenileCourt/guardianship.asp>

HEALTH CENTER

The Health Center provides first aid and medical care primarily for illness or injuries that occur during the school day. It is not a primary care facility like a doctor's office. The nurse is qualified to collaborate with you and your child's physician to provide an educational environment in which your child can learn and thrive. While the nurse does not make a medical diagnosis or prescribe medication or treatment, medication and treatment prescribed by a physician may be stored and given in the health office.

HEALTH OFFICE CONTACT INFORMATION

Phone Number: 623-445-8610

Nurse: [Irene Szopinski](#)

Nurse Clerk: [Yuri Bejarano](#)

[BCHS Health Office Website](#)

ILLNESS OR ACCIDENT

The Health Center cannot diagnose medical conditions. If a student feels ill during the school day, they should report their complaint to the classroom teacher for referral to the nurse. Students are not to contact their parents directly via cell phone regarding illness unless prior arrangements have been made with the nurse. Please keep your child home if they have fever, diarrhea, vomiting, deep cough, or a potentially communicable disease.

Children with a fever must be fever-free for 24 hours without the use of fever reducing medications before returning to school. If your child has been diagnosed with a contagious illness, please contact the Health Center so parents of other students in the class can be notified. Please call your child's doctor for advice on an ill child. Do not send ill students to school to be evaluated by the nurse.

STUDENT HEALTH & RELEASE INFORMATION FORMS

Back to School Forms are now available online for your DVUSD Students. This process replaces the majority of paper forms sent home at the beginning of each school year. You will use the PowerSchool Parent Portal to access and submit these yearly forms at the start of the school year. Contact Boulder Creek High School at 623-445-8600 if you do not have parent/guardian access to PowerSchool. Health forms must be on file in order to attend BCHS. Updated emergency and health information assists the Health Center personnel in providing each student the most appropriate intervention and parent/guardian notification during an emergency. Families may change emergency contact information by visiting the front office.

DISEASE PREVENTION/IMMUNIZATIONS

Written proof of compliance with immunization requirements is a part of the registration process in Arizona Schools. State and Federal Law states a student must be immunized or they are unable to be in school, or a parent must sign an exemption form. If you are unsure of the

Campus Information

requirements for Immunization, see your doctor, visit the School Health Center or call the Maricopa County Health Dept. at (602)-506-6767 or (602)-263-8856 for locations of clinics and hours of operation. Immunizations are free of charge for children under the age of 18.

PARENT AND EMERGENCY CONTACTS/HEALTH HISTORY

Parents are required to complete Emergency Contact and Health History Forms online for each of their children every year. These forms contain vital information should your child become ill or injured at school. Students will be released to **ONLY** those persons indicated on the form. Photo ID is required to pick up any child during the day at school.

INSURANCE

Student accident insurance is available to all students at a low premium. It is up to your parents/guardians to secure the insurance. The school district may not, according to law, provide student insurance but it may make the insurance available. Insurance information and applications are made available to you at the time of registration. You may also request the information from the Athletic Office. Upon completion of the enrollment form, it may be turned in with your premium to the Athletic Office. Student insurance or proof of insurance is required for participation in athletics.

HOMEBOUND PROGRAM

Students who must be absent from school because of physical disabilities or extended illness may qualify for homebound instruction. A doctor's (not a PA or NP, only a MD, DO, or Psychiatrist) written statement that the student will be absent 90 or more school days will be required. Forms are available in the Health Center and must be returned to the Nurse to be approved by the District.

PHYSICAL EDUCATION/DANCE MEDICAL PARTICIPATION EXCUSE

Parent excuses are accepted in writing only, for up to three days. Parents requesting a student to be excused from P.E. must bring a note signed by the parent to the Nurse. These excuses should state: the student's full name, grade, the date the excuse was written, the reason and the number of days for which the excuse is written for. The statement "excused until further notice" is not acceptable from the Doctor. The Nurse will then write an "excused from P.E." pass for the student to take to P.E. Any request for an excuse for three (3) or more PE classes must be accompanied by a Physician's written order. **Any students with an excusal form from P.E. who also play in a BC sport will have to sit out of the practices/games as well.** All injuries requiring any type of orthopedic support or device on campus must be reported with a medical excuse and cleared through the Health Center.

All excuses must be received at the Health Center **before** the beginning of the school day or **during** that sport class. These rules also apply to dance classes.

ELEVATOR KEY

To obtain an elevator key, you must have documentation from a physician stating such. Documentation remains in the student health file. The school nurse dispatches keys after the student is cleared by the nurse. If a student loses the key or fails to return the key at the end of the time needed, a debt will be added to the student's account of \$5.

CHRONIC HEALTH CONDITIONS

If your child has been diagnosed with a chronic health condition please contact the nurse immediately. He or she will inform you of the DVUSD protocols/procedures necessary to ensure a healthy and safe environment for your child during the school day. Students must be fever-free for 24 hours before returning to school.

Specific district information can be found below. If your child shows any signs of illness or symptoms of COVID-19, he/she should not go to school.

According to the Maricopa County Department of Public Health, COVID-19 symptoms include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat

Maricopa County Department of Public Health (MCDPH) has provided a helpful tool called the Home Isolation Decision Maker Tool. If you have questions about whether your child should isolate at home, this tool can help. The tool can be accessed by visiting www.maricopa.gov/covidisolationtool.

LATEX “FREE” CAMPUS

Boulder Creek is a latex (natural rubber) “free” school; this includes all buildings, grounds, and parking lots. No items containing latex are allowed i.e; Rubber gloves, office products, balloons, or rubber balls and toys.

We say “free” as we do not restrict latex in shoes or some other known products at less risk because they do not produce airborne latex proteins; however, we do restrict the use of latex in classrooms and common areas. Thank you all for helping us to make a safe environment free from any potential latex items.

ALL THINGS E.Q.

Boulder Creek High School works hard to develop your child's I.Q. (Intellectual Quotient) by providing a strong academic experience for all students. E.Q. (Emotional Quotient) also plays a part in how students manage their studies and handle stress. Our E.Q. affects our overall performance in school and/or in our jobs. Studies link high emotional intelligence to higher life and job satisfaction. Boulder Creek implements All Things E.Q. (ATEQ) because their insights support rather than interfere with academic instruction. All Things E.Q. encourages critical thinking and focuses on four questions:

Each week we focus on a weekly motto that helps students think critically about the questions above. To create a shared vocabulary on campus we send weekly insights to our students. You can receive the free [weekly insights](#) at the same time as your students here: Weekly E.Q. Insights Feel free to email danna@allthingseq.com with any questions. We look forward to a fantastic school year!

PROCEDURES & EXPECTATIONS

Campus Information

Arizona law requires students to attend school through the tenth grade or age sixteen. The right and privilege of attending public school carries with it certain responsibilities on the part of both parents and students. It is the responsibility of school personnel to keep parents informed of actions that might have a detrimental effect upon the educational growth of individual students. Students should attend school daily.

School attendance is ultimately the responsibility of the student and his/her family. The benefit of lectures, activities, discussion and participation is lost forever to those who are absent.

REPORTING ABSENCES

Parents/guardians must call the attendance office or report absences through the campus [Student Absence Google Form](#) on the day of, or by noon of the following day to excuse an absence. Notes are not accepted to excuse an absence for early dismissal from class or to come in late. If a student misses one or more classes, a computer phone call is attempted to a designated phone number. If the student is ill or had another documented reason for the absence, a parent/guardian must call to excuse the absence or it will be unexcused. **No partial absences are accepted by phone.** The Power School Program is available online for parents/guardians to view. This program gives parents/guardians access to grades and attendance and provides a direct link to email teachers.

LATE ARRIVALS

We encourage parents to assist students in arriving at school on time. If a student is late to class, after the final bell, **a parent must accompany the student to the office in order to obtain a pass to class.** Students who arrive late will have to sign into the front office as late arrivals and will be marked tardy.

Without a parent or proper documentation to support the tardy, students will be marked tardy and sent to their class. If a student has an appointment slip, etc. from a doctor, dentist or other documented appointment to show in the office, a pass to class will be issued. Students and/or parents must come to the office to present the documentation in order to receive a late pass to class. If an entire period is missed because of an excused tardy, that period is counted as an excused absence and will count against the limits of the attendance. **No partial absences are accepted by phone.**

PARENT SIGN OUT OF STUDENT

A parent/guardian must come to the front office and present a photo I.D. before the student will be released. A pass will be sent from the office to get the student from class. If the student does not sign out and sign in upon returning to campus, those absences are considered unexcused.

A.M. CLASSROOM ACCESS

Cafeteria is available for students from 7:00AM – 7:30AM. Students will be supervised. Academic buildings will remain open in the morning for students to receive tutoring, attend club meetings, or complete make-up assignments/tests.

Campus Information

TRUANCY

Arizona State law says that it is unlawful for any child between the ages of six and sixteen to fail to attend school during the hours school is in session, unless there is a valid excuse. The child will be considered truant when there is not a valid reason for not attending school. If a parent fails to ensure that the child attends school, the law states that they are guilty of a Class III (3) Misdemeanor. When the parent does not provide a valid excuse for his/her child's absence, a law enforcement officer or district administrator may cite the student, parent or a custodian directly into court for violating the state truancy law. (Re: A.R.S. 15-802, 15-803, 15-804)

A habitually truant child is a child between the ages of six and sixteen who has five (5) days of unexcused absences or five (5) unexcused absences from class within a single school year. (Re: A.R.S. 15-803, C.1) A student who is habitually truant from school may be issued a criminal citation. An administrator will attempt to notify the parents that the citation may be issued, and the parent will be required to appear in court with the student.

Upon reaching **four unexcused absences**, a student may lose credit in that class. Upon reaching any combination of **12 excused or unexcused absences**, a student may lose credit in that class.

For students under 16 years of age, a Truancy Citation may be issued if a student reaches five unexcused first period absences.

**Students with excessive excused absences may be required to provide medical documentation to receive credit. If additional absences occur, and no medical documentation is provided, the student may lose credit in one or more classes. If a medical exemption is given for the first semester, it may not carry over into the second semester. Medical exemptions must be renewed yearly (if applicable).*

Any student may be placed on an Attendance Contract upon reaching a total of three unexcused absences, when a pattern of unexcused absences occur, or when the student reaches a combination of eight excused/unexcused absences. **Attendance contracts are not required for a student to lose credit. Attendance contracts are a reminder for students who are in danger of losing credit that their attendance needs to improve. They are not a requirement to lose credit.** As the end of the semester nears, attendance contracts are not always issued. For students under 16 years of age, a Truancy Citation from Maricopa County may be issued.

ATTENDANCE INTERVENTION & LOSS OF CREDIT PROCESS

1-3 Absences:

- Teacher contact with informal intervention.

5th Absence:

- School letter home to parent/guardian (attendance secretary).
- Documented in Power School.

8th Absence:

- Attendance contract issued to student and parent.
- Teachers and counselors will be notified.
- Student parking suspended for one week for students with parking privileges at BC.
- Student may lose extra-curricular activity privileges.

12 or more absences:

- Certified letter sent home informing of loss of credit.

Campus Information

- Appeal process included in a certified letter for the student to appeal.
- Parking privileges suspended.
- Student may lose extra-curricular activity privileges.

End of Semester:

- For students that are passing classes but have more than 12 absences: "Loss of Credit Appeal Committee" will review appeal data and decide if the student should receive credit in the class.
- If a student does not appeal the loss of credit, the credit will automatically be lost.
- For students that are failing classes and have more than 12 absences: No action necessary as the student will not receive credit for the class due to failure.

TARDY PROCEDURE

1. A warning bell will ring one minute prior to the final bell.
2. When the final bell stops ringing, any student not in his/her assigned classroom will be considered late to class and marked Tardy in PowerSchool attendance by their teacher.
3. Staff will follow the MTSS-B process for interventions and consequences for excessive tardies.
4. If a student is late to first period class, after the final bell, a parent must accompany the student to the office to be signed in (See late arrivals).
5. If a student is tardy first period and goes to OCR for a late pass, the student will serve a lunch detention the day of the tardy.

If the student is a driver with a BCHS parking permit, the student may lose their privilege to park on campus and/or extra-curricular activity privileges due to excessive tardiness.

EMANCIPATION

When Emancipation papers are filed, there will be a 48 to 72 hour delay prior to the paperwork taking effect and parents will be contacted during that time. Emancipation paperwork is done through the counseling office and approved by administration.

PARKING APPLICATION PROCESS

Parking applications will be opened for the next school year during April. More specific information will be announced closer to that time. The application process is online through a Google form and students must be logged into their DVUSD email to access the form. Students must have a valid Arizona issued driver's license, registration information, insurance information, and a completed application to apply. **Students with a driver's permit must wait until they are fully licensed to apply for parking.**

Students that have any disciplinary infractions resulting in suspension (on or off campus) during the 2023-2024 school year will be waitlisted when applying for parking for the 2024-2025 school year. Students that are in this situation will have to follow an appeal process. Appeals will be reviewed to determine if purchase of parking will be allowed. Considerations in the appeal are severity of infractions, frequency of infractions, and student reflection, learning, and demonstration of positive student behavior after the infraction occurred.

All parking information and appeal information will be sent to the student's @learner email address for security purposes.

DELIVERIES

Classes will not be interrupted for delivery of items. Flowers, birthday items, pizza, etc. will not be accepted from businesses for delivery at BCHS. **Restaurant deliveries or food delivery services (Grub Hub, Uber Eats, etc.) are also not allowed at any time or at any place on campus. Food deliveries will be confiscated.** Parents will need to wait for their students to be called to the office between classes to receive the item that has been brought for them by a parent or family members for their child only.

time. A parent or guardian signature and photo ID is required to release a student for personal reasons during school hours.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. The Governing Board has established written policies regarding the collection, storage, retrieval, release, use, and transfer of student educational information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents' and students' rights to privacy.

Student education records are collected and maintained to help in the instruction, guidance, and educational progress of the student, to provide information to parents and staff members, to provide a basis for the evaluation and improvement of school programs, and for legitimate educational research. The students' records maintained by the District may include—but are not limited to—identifying data, report cards and transcripts of academic work completed, standardized achievement test scores, attendance data, reports of psychological testing, health data, teacher and counselor observations, and verified reports of serious or recurrent behavior patterns. (For full text please reference the Students Rights & Responsibilities Handbook)

HOMELESS STUDENTS

The McKinney-Vento Homeless Student Assistance Act protects the rights of all homeless students. The act defines homeless children and youth as those who lack a fixed, regular and adequate nighttime residence. Examples are:

- sharing housing due to a loss of housing, economic hardship, or a similar reason;
- living in hotels, motels, trailer parks, or camping grounds due to a lack of alternative adequate housing;
- living in emergency or transitional shelters;
- abandoned in hospitals;
- living in a public or private place not designated for, or normally used as, a regular sleeping accommodation for human beings;
- living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar places;
- lives as a youth on their own due to abandonment or runaway status

Students are identified by the district Homeless Liaison or through referrals made by district employees, community members, city agency employees or self-referrals. If you think your children may be eligible, contact the local liaison to find out what services and supports might be available.

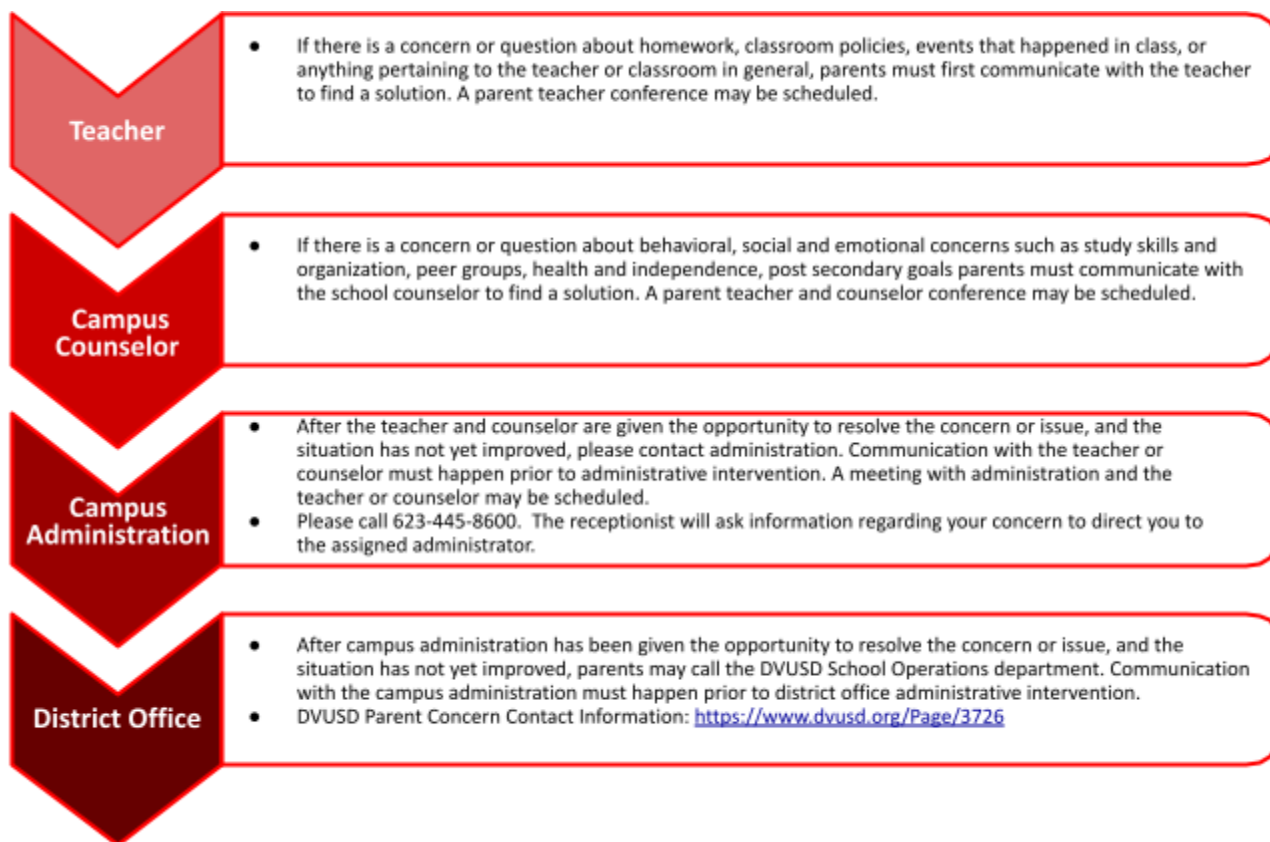

For more information or to contact Deer Valley Unified School District's Homeless Liaison, please call 623-445-4924. (Ref. DVUSD Policy JFABD)

PARENT CONCERNS

Stakeholder communication plays an important role in the success of your student. Solutions are best found at the level closest to the issue or concern because those are the people working with your child each day. For support please refer to the BCHS Region Parent Concern Communication Protocol below:

PUBLIC CONCERNS & COMPLAINTS

Most concerns and complaints can be resolved at the campus level. Therefore, it is the expectation that when a community member has a concern or complaint, the chain of command guidelines will be followed. However, Policy KE-Public Concerns & Complaints allows an avenue for written complaints. You may find these forms and the process in Policy KE.

UNACCEPTABLE ITEMS

School is a place where students come to be educated, and certain items disrupt the “educational process.” The following is a representative list of items, but not limited to, that should not be brought to school:

- Latex items
- Balloons

Campus Information

- Pets/animals
- Laser pointers, water balloons, matches/lighters, fireworks
- Roller-skates/roller blades
- Water Guns/shaving cream
- Video cameras, cameras
- Gambling paraphernalia
- Wallet chains, spiked jewelry
- Vaping devices/Batteries/Paraphernalia
- Cellular phones, radios, CD players, iPods, or like items are not encouraged in the school setting and must never interrupt the educational process. If students bring these items, it is at their own risk. Items can be confiscated if the student fails to adhere to classroom expectations regarding the appropriate use of these items.

*The item(s) listed above may be confiscated by Administration and the student will be subject to disciplinary action. Parents may be required to pick up item(s) from the Student Conduct Office.

NOTE: The administration reserves the right to use their discretion in what constitutes unacceptable items. Also, the school accepts no liability for loss, cost, or replacement of confiscated unacceptable items brought to school by students.

A reminder to parents; We do not accept delivery of flowers, plants, balloons, food or gifts for students. It is very disruptive to the teaching and learning process and diverts attention from instructional time on task. None of these items are allowed on school transportation. Please be sure that florists and merchants know to make deliveries to your home address.

VISITORS/ GUESTS

DVUSD welcomes visitors to all of our campuses. All visitors are required to report to the school office upon arrival to campus. All visitors will be issued a visitor's badge and must sign in upon arrival and out before leaving campus. For those parents who wish to visit a classroom during the school day, must contact the student's principal in advance, to avoid any conflicts with the school schedule. No person may enter onto school property, including visits/audits to a classroom, without approval by the principal. (Ref. DVUSD Board Policy KI-R)

Parents requesting to observe their child's classroom need to complete a Permission for Visitation/Observation Form, available from the school's office, and submit it to the school's administration for approval. School administration/designee will then notify parents of the scheduled observation time and accompany them to the observation. School administrators are happy to meet with visitors. Since everyone's time is valuable, please contact the school office to schedule a date and time to meet that works for all parties.

Visitors to our campuses are expected to adhere to the same policies and procedures as our students and staff. If a visitor causes a disruption or otherwise violates a policy, procedure, or law while on a DVUSD campus and the campus administrator deems it necessary for the safety and security of students, staff, and other visitors, the visitor will be immediately removed and local law enforcement may be contacted.

PURSUING VICTORY WITH HONOR

Boulder Creek High School has taken a leadership role in expecting the sportsmanship displayed by our athletic teams, student body and community at events to be outstanding. We've placed a higher value on respect than wins and losses because there is more to be learned in educational athletics than how to shoot, score, run, and throw. Maintaining a proper perspective about school sports will help us in our quest for good sportsmanship. Therefore, we are incorporating the themes of the AIA - Pursuing Victory With Honor - program into our athletic programs by practicing the Six Pillars of Character:

Trustworthiness | Fairness | Respect | Caring | Responsibility | Citizenship

We expect our coaches, athletes, student body and adult spectators to exhibit these characteristics at all events. Administration reserves the right to ask spectators to leave an event when a breach of this expectation occurs.

It is a privilege to be an athlete. Athletes should be among the best and most reliable students on campus. Athletes are reminded that they not only represent themselves, but their parents, coaches, school, and community. Boulder Creek competes at the Division I and II levels in all sports and abides by the rules and by-laws of the Arizona Interscholastic Association (AIA). The following interscholastic sports are offered to students:

Student Athletic Pass can ONLY be purchased at the bookstore; an athletic stamp will be printed on the students I.D. Students can ONLY get into games with their I.D.

LETTERING

Coaches should make "lettering" policies known to student athletes prior to the season. Athletes who play on "Varsity" receive a letter for that sport, any additional years played on a varsity sport students receive a "pin" for that sport(s).

TRANSPORTATION

Student/Athletes are expected to use school transportation to and from athletic events and may be released to parents following athletic events with coaches' discretion and approval. Written approval may be obtained through signing a release form in the Athletics Office or in the presence of the coach.

ELIGIBILITY (ATHLETICS-OTHER AIA SANCTIONED ACTIVITIES)

Each year an athlete must establish his/her athletic eligibility for the up-coming school year. Athletic packets, which include forms, instructions, etc., are available in the Athletic Office. To participate in interscholastic athletics, you must meet Arizona Interscholastic Association (AIA) requirements. The following are a few of the specifics. If a student receives a W/F (withdraw/fail) in one or more classes, the student is not eligible for the remainder of the semester for extracurricular AIA activities.

Homeschool students may play as well; please check with the athletic office for requirements.

NO PASS/NO PLAY

All students participating in AIA sanctioned events must maintain a passing grade in all classes. Teacher's academic records will be surveyed every week (Thursdays @ Noon) and a student failing will receive notification of "pending ineligibility". A student failing two weeks or more (non-consecutive) will be ineligible to participate (MondaySaturday), unless a subsequent check after one week indicates a passing grade. The "ineligibility" period will then be one week (Monday-Saturday). At the coaches discretion, students can practice during the ineligibility period. They may not suit up for competitions. After the 3rd time of being "ineligible" an athlete may be removed from the team. "No Pass/No Play" guidelines as established by the State Board of Education.

Getting Involved

TRANSFER STUDENTS

All transfer students who wish to participate in athletics must notify the Athletic Department well before the season of sport. The appropriate 550 form must be completed by parent, sending and receiving schools through the AIA website. The student-athlete will need approval from the Athletic Director before gaining eligibility to compete. In accordance with new AIA transfer bylaw, the student athlete will be required to forfeit 50% of season whether or not a domicile change has occurred. Please contact the athletic department with any questions regarding this process.

AGE LIMIT

If a student becomes nineteen (19) years of age on or before September 1st of that current year, he/she is not eligible to participate in interscholastic athletics.

DATE OF ENROLLMENT

Students enrolling after the semester begins or transferring from another school may not participate until cleared through the athletic office.

AIA BYLAWS

ARTICLE 15.3.5 In order to establish eligibility, a student's initial enrollment shall be no later than the 14th official school day of the semester. If a student's initial enrollment occurs after the 14th official school day of the semester, he/she is ineligible for that semester.

ARTICLE 15.10 After enrolling and attending one or more classes, students changing enrollment to/from one school to another school shall be considered a transferring student. Upon completion and filing with AIA of Form 550 (Application for Eligibility), a student shall be eligible to participate in interscholastic competition at the school to which he/she transferred provided there is a corresponding change of domicile of parent(s) or guardian(s).

AMATEUR STANDING

Amateur standing is defined in the AIA Handbook. Questions involving amateur status will be answered through the athletic office. Students should never accept money for participation in any athletic event. There is a limit on awards that may be received in non-school activities. Contact the Athletic Office for rulings specific to non-school participation in individual sports.

COMPETITION RESTRICTED TO SCHOOL TEAM

A student who is a member of a school team shall not practice or compete with any other group, club, organization, association, etc., in that sport during the interscholastic season of competition. This rule applies to team sports only, which are football, badminton, baseball, basketball, volleyball, soccer, softball, spirit line, track relay and swimming relay teams. For purposes of this rule, the interscholastic season of competition shall begin with the first regularly scheduled game and conclude with that particular team's final game. Any student violating the above rule shall forfeit his/her eligibility for a minimum of the balance of the season for that sport or up to a maximum of one calendar year.

Getting Involved

SEASONS OF COMPETITION

No student, while enrolled in a four-year school, shall have an opportunity to compete for more than four (4) seasons per sport during his/her high school career. Additionally, after a student first enrolls in the ninth grade, he/she has a maximum of eight semesters of opportunity in each sport or activity.

PHYSICAL EXAMS/BIRTH CERTIFICATES/INSURANCE /BRAINBOOK

No student shall be permitted to try out in any established sport unless there is on file with the Athletic Office, a physical examination form specifying that in the opinion of the examining physician, he/she is fully able to compete in athletic contests. A birth certificate must be verified and recorded as well as accident insurance (school or personal).

Please upload the A.I.A Physical paperwork, brainbook and Opioid courses to "Register my Athlete." [Register My Athlete](#)

Once uploaded the Athletic department will clear the Athlete for play. The Physical must be filled out and signed by a doctor and the brainbook and opioid courses are online. [AZPreps365 Academy](#)

CODE OF CONDUCT

Participation on an athletic team is a privilege carrying certain responsibilities. When a student becomes part of a team, he/she will represent Boulder Creek High School throughout the state. He/she is expected always to exhibit the kind of behavior and leadership that speaks highly of himself/herself and Boulder Creek High School. He/she is also expected to follow all team/school rules and attend practices and games. If he/she does not, coaches may take disciplinary action and could bar him/her from further competition. Any student found taking, defacing, marring, misusing or destroying athletic equipment or general school property may suffer possible suspension from all athletics, use of athletic facilities and equipment, or suspension from school. Athletes who indulge in illegal substances such as tobacco, alcohol or drugs (including anabolic steroids) will be subject to discipline and may be suspended from competition and/or school.

ATHLETIC CONSEQUENCES FOR INFRACTIONS

If student-athletes are suspended on or off campus, the following consequences are applied:

- Less than three days of suspension: In addition to missing practice during the suspension, the athlete will miss 10% of their scheduled competitions.
- Less than five days of suspension: In addition to missing practice during the suspension, the athlete will miss 20% of their scheduled competitions.
- Less than ten days of suspension: In addition to missing practice during the suspension, the athlete will miss 30% of their scheduled competitions.
- Ten or more suspension days: In addition to missing practice during the suspension, the athlete will miss 40% of their scheduled competitions and may be removed from the team, based on the Athletic Director's discretion. *Athletes who receive a ten day suspension for drug use or possession who show satisfactory evidence of having

Getting Involved

registered for the DVUSD drug diversion program will be treated as if they had received a five day suspension.

A scheduled competition is a competitive contest (not a scrimmage) scheduled during the season of the sport--including playoffs or other state events. A regular season tournament is considered one game for the purposes of this code of conduct regardless of how many days the tournament lasts or how many games or matches it includes. Also, for the purposes of this code, application of percentages in relation to the game penalty will be rounded to the nearest whole number. For instance, if the 20% application results in 2.4 games, the athlete will be expected to miss 2 games. If the application results in 2.5 games, the athlete will be expected to miss 3 games. If an athlete misses the established number of competition days during his/her suspension, that will satisfy the established number of missed competitions. Percentages are applied to the entire season of the sport. For instance, if a basketball player is suspended for 8 days after their team has already played 12 games they are subject to a 30% suspension based on the typical 20 game season of the sport. 30% of 20 is 6, so this basketball player would not be eligible to play again until the 19th game of the season.

USE OF EQUIPMENT

All athletic equipment issued by the Deer Valley Unified School District remains the property of the district. It is on loan to the student athlete to be used in regularly scheduled practices or games only. A replacement fee will be assessed at the end of the season for any lost equipment. If equipment is found after the fee has been paid, it should be returned to the bookstore accompanied by the receipt of payment and a refund will be made. Athletic equipment will not be considered bought if paid for after it is lost. Remember, athletic equipment should not be worn at any time other than during practice or game sessions, unless specific permission has been granted by the coach.

- Make sure they understand the teacher's expectations for upcoming classes. Ask questions about anything they do not fully understand.
- Be actively involved as they prepare assignments for class. Formulate questions they might have about the material.

IN CLASS:

Students will

- Be in class on time.
- Make good use of class time by being focused on the lesson, avoiding side conversations.
- Be respectful of the teacher and fellow students.
- Take responsibility for carrying out his/her particular assignment in a collaborative situation, where applicable.

MAJOR ASSESSMENTS:

Students will

- Come prepared and put forth their best efforts.

Academics

ACADEMIC INTEGRITY

TIPS TO HELP STUDENTS ABIDE BY THE PRINCIPLES SET FORTH IN THE ACADEMIC INTEGRITY CODE:

- Seek the advice and wisdom of your parents, guidance counselor, and teachers when establishing academic goals.
- Set reasonable academic goals. Write them down and review them periodically. Make adjustments when appropriate.
- Plan and develop an academic schedule that will challenge you without imposing unreasonable demands on your time, interests, and ability.
- Balance academic and extracurricular goals.
- Take readable notes. Review and correct them after class. Rewriting your notes reinforces what you learned from the lesson.
- Ask the teacher for clarification of expectations for all work, if you are unsure.
- When collaborative activities are permitted, work together to ensure that responsibilities are clearly and equitably distributed among all members of the group. Consult with the teacher if the group is experiencing difficulty in meeting the requirements of the assignment.
- If you know ahead of time that you will have difficulty meeting a deadline, discuss the matter with your teacher well in advance of the deadline.
- Take advantage of helpful opportunities available to you: peer tutoring with National Honor Society members, extra help sessions with teachers, writing conferences with English teachers, research assistance from the librarian.
- On occasion tutors may assist in the learning process of a student. In order to adhere to the principles of academic integrity, it is imperative that all interactions between students and tutors remain true to the classroom teacher's intent for assigning the particular activity, and that all pertinent instructions are honored.
- The primary responsibility for understanding and abiding by the teacher's expectations and guidelines for any activity lies with the student.
- Take care of your health. Get plenty of rest and make nutritious food choices.

AI IN EDUCATION

DVUSD has determined that the use of Large Language Models (LLMs), such as ChatGPT, is prohibited unless clearly specified by your teacher.

Specific guidelines will be provided in the assignment details. If you are unsure if the tool or website you are using is an LLM or if it is permitted on a specific assignment, please contact your teacher before submitting your work.

GRADING AND REPORTING

PHILOSOPHY AND GOALS

Ensuring fair and credible evaluation of student learning from classroom to classroom and school to school will directly impact and improve student learning. Students should be held accountable for their learning. We also recognize that grading practices can contribute to long-term student success. An emphasis on the evaluation of content standards and timely,

Academics

constructive feedback are cornerstones to grading that reflect student growth and development.

DVUSD GRADING GOALS

Grading practices in DVUSD will encompass the following goals:

- Grades are equitable, accurate, specific, and consistent.
- Grades reflect academic learning and are not used as a punitive tool.
- Grades report the status of academic learning, not behavioral conduct.
- Assessment and grading provide actionable feedback to inform student learning.
- Grading takes into account that learning is a process that takes place over time and at different speeds for different students.
- The grading system coordinates and is consistent among common course teachers and/or grade levels to ensure clarity in expectations for all students.

MEANINGFUL GRADE ENTRIES

Teachers are expected to enter a meaningful grade for each student in the electronic gradebook on a regular basis so that students, parents, and support staff can better monitor student progress. A meaningful grade is a grade entry for an assessment or coursework that measures learning standards. At least one meaningful assessment/assignment grade entry must be entered each week, but an entry that impacts the course grade must be entered at least every 2 school weeks (every 3rd week for classes meeting once per week).

GRADING PRACTICES: 9-12 GRADE SCALES

In the spring of 2023, the Governing Board reimplemented traditional grading practices in DVUSD. During the 2023-24 school year, BCHS will implement the DVUSD traditional grading practices which include a return to the 0-100 A-F scale. To better communicate student progress, teachers will include marks for student proficiency for aligned standards on assessments (coursework optionally) using rubrics with the levels: Highly Proficient (4), Proficient (3), Partially Proficient (2), Minimally Proficient (1). It is important to know that the documented performance on the standards is informational and reported separately to support student learning and growth– it does not average into the overall percentage course grade. As a parent or student, grades will look as they always have with students receiving a percentage and letter grade; however, if you would like to see more information on learning progress, you can click the  icon in PowerSchool and a dropdown of aligned standards/skills will

populate with the informational 1-4 rubric scores (see the example on the right). **At BCHS, we believe that grades are important communication between teachers and families to show student progress in learning.** This new process for communicating student learning will help support clearer communication on student progress and clearer data to

GRADING PRACTICES: BEHAVIOR IN GRADES, LATE WORK & REASSESSMENT

BCHS and all DVUSD schools are continuing to separate academic achievement and student behavior in our grades to ensure that grades represent student learning. It is critical that students learn and master essential skills and standards to ensure they are prepared for next level learning, new course content, and for college and career. Below are some practices that we will be using this year to support student learning while also setting expectations and accountability:

- **REASSESSMENT:** Students may reassess to show mastery of learning for full credit. To reassess, students must complete all coursework related to the content/skill assessed to build up their skillset. Students must communicate with their teacher within 5 days of receiving an assessment score to create a reassessment plan. The reassessment date will be determined by the teacher based on student performance and progress. Reassessments will not be allowed on state and district assessments, end of semester exams/ projects, or test out/ proficiency exams.
- **MISSING & LATE WORK:** Missing work will be marked with a missing code in the gradebook and will be given a zero ("0%") and No Evidence marked for associated standards. If the missing work is submitted as Late Work (see terms below), the zero will be changed to reflect the student's level of learning with no deductions or penalties. Students may submit late work for full credit by the end of a unit or module. Late work will not be accepted if the assignment is in class work that was intentionally not completed by the student, if the work was a timed activity, or if the work was a long-term project (over multiple weeks).
- **EXTRA CREDIT:** No extra credit will be awarded as it distorts clear evidence of student learning in grading.
- **ZEROS:** Students who do not show evidence of learning will receive a zero grade for missing/ no evidence work. It is important to remember that zeros have a heavy impact on the overall student grade. Please be sure to turn in work, keep up on assignments and assessments, and communicate with teachers about opportunities to submit missing and late work to avoid heavy grade penalties.
- **FAILING GRADES:** Grades of "D" and above are passing marks. A course grade of "F" indicates that the student has failed the course. For 9th-12th grade levels, no course credit will be awarded for a failing course grade.

Academics

CATEGORIES & WEIGHTS

All 9th-12th grade teacher gradebooks will utilize the following categories in the gradebook.

CATEGORY	DESCRIPTION	WEIGHT
Assessment	This category includes all items used to measure a student's proficiency toward the learning standards once the student has had sufficient practice and at a specified point in time. This category can include summative tests, performance assessments, reports, unit or module assessments, quizzes, long-term projects, short-term projects, presentations, capstone projects, research papers, and lab reports.	80%
Coursework	This category includes formative work that provides students with the opportunity to learn content and skills and to receive feedback on their learning. Coursework is assigned to provide meaningful, independent practice, reinforce learning targets, and extend learning. This category can include in-class assignments, quizzes, exit tickets, checks-for-understanding, and daily activities.	20%
Practice	This category includes formative student work that a student completes while in the process of learning specific skills. Student work that is done inside and outside of the classroom, such as classwork and homework, falls into this category.	0%

PARENT CONCERNS REGARDING GRADES/ASSESSMENTS/LEARNING

A parent concerned about a grade should always discuss the concern with the teacher before bringing it to the attention of a counselor. Then, it is requested that if not resolved, that the "chain of command" protocol be followed: Department Chairperson; Assistant Principal who oversees the teacher/content level; Principal; appropriate District Office staff member(s).

REPORT CARDS

In lieu of printing high school semester report cards, parents/guardians and students will use PowerSchools to check students' semester grades. If you are a parent/guardian or student who would like to receive a hard copy of the semester report card during this year, please contact the school. Parents/guardians and students may continue to request copies of unofficial transcripts from the school at any time.

HONORS POINTS FOR ADVANCED CLASSES

Students who complete an Honors and Advanced Placement class receive an additional point for an A, B, or C. The following table indicates honor point equivalents.

Honors (H) and Advanced Placement (AP) Courses*:		Regular Courses	
Grade	Honor Points	Grade	Points
A	5	A	4
B	4	B	3
C	3	C	2
D	1	D	1
F	0	F	0

*Colleges and Universities may unweight grades.

INTERVENTION

All DVUSD schools use the Multi-Tiered System of Supports (MTSS), a multi-tiered framework of high quality instruction, enrichment, and intervention that is responsive and differentiated. Our multi-tiered system of supports provides a coherent continuum of system-wide, data-based problem solving practices supporting a rapid response to the academic and behavioral needs for all students. This comprehensive system of support includes assessments (universal screening, diagnostic, progress monitoring, formative and summative), research-based instruction, and interventions. This instruction/intervention is delivered across multiple tiers dependent on the individual student needs identified by student outcome data.

We offer several interventions for students who are struggling with their classwork. The first step is for students to make sure they are in class every day, paying attention in class, and completing all assignments. Parents can help students with this by encouraging attendance and providing a quiet environment for assignment completion every day at home. Parents should also check PowerSchool regularly to track their student's attendance and grades in each course.

If a student begins to struggle, the student should attend tutoring either with the teacher in the class they are struggling in, or after school with a peer tutor.

FLEX TIME intervention sessions provide time for students to receive support during the instructional day two times a week. Students are either assigned to a FLEX TIME session, or they may select a session for support, time to complete school work, or to extend their learning in a course. The purpose of this time is to allow a struggling student some extra time in a smaller group setting to better understand the skills they were struggling with during class time. There are also opportunities for students to enrich their learning if they are doing well in all of their courses.

BCHS also offers intensive tier 3 reading and math intervention classes during the day such as Math 180 and Read 180.

FLEX TIME

Flex time is academic time built into the regular school day for students to participate in sessions such as:

- Interventions and tutoring on specific skills

Academics

- Extension and enrichment
- Skill assessment and reassessment
- Life skills/college and career readiness
- Open academic sessions

Flex Time can help students achieve academic success in the following ways:

- Increased understanding of the concepts taught in your classes.
- A time to catch up in classes you were absent for.
- Opportunity to participate in extension or enrichment activities to expand learning.
- Grade improvement.
- Improved performance on tests such as AP, SAT, ACT
- Opportunity to increase your college and career readiness
- Overall increase in academic achievement.

Flex Time Student Expectations

Boulder Creek has implemented Flex Time to help students achieve their highest level of academic success. Therefore,

- Students must attend the Flex Time session they are assigned to or signed up for.
- Students must utilize Flex Time for academic purposes.
- Students must sign up for sessions that they meet the requirements for. Please read the session description before signing up for a session, and talk with your teachers if you have questions. Failure to sign up for Flex Time will result in the consequences outlined in the SR&R handbook for insubordination.
- Students must follow the classroom rules and expectations during Flex Time.
- This is a period in the school day. Therefore, students must adhere to all school policies and procedures during this period.
- Ditching Flex Time will result in the consequences outlined in the SR&R handbook.

Flex Bell Schedule - Flex Time is on Tuesday & Thursday every week.

LAST EXAMS OF THE SEMESTER

Students who miss the last exam of the semester during the fall semester must schedule a time to make-up their exams within two (2) weeks after school resumes in January. Students who miss the last exam of the spring semester are expected to make up their exams over the summer or within the two (2) weeks following the last day of school for summer break.

Students who miss the last exam of the semester are given an incomplete (I) grade. If incomplete grades are not made-up within these time frames the exam converts to a 0 and averaged into the final grade.. It is the students' responsibility to schedule appointments with the teachers to make- up exams.

GRADE IMPROVEMENT

THE SCHOOL COUNSELOR MUST BE NOTIFIED PRIOR TO REPEATING A COURSE TO COMPLETE A DUPLICATE COURSE/GPA ACKNOWLEDGEMENT FORM.

Students who fail a course that is a graduation requirement must retake the course. Transcripts will reflect the original and repeated course grades. The improved course grade will be the grade of record and will be factored into GPA. Additionally, students who want to improve their grade in English Language Arts, Math, Science, Social Studies or World Language courses may repeat the same course through an approved DVUSD course. The original grade will remain on the transcript. The improved grade will become the grade of record upon request.

Credit will be given for one course, not both.

GRADUATION REQUIREMENTS

Students must complete a total of 22 units of credit including the following courses.

- 4 credits of English language Arts
- 4 credits of Math (Algebra Applications and Financial Math do not meet university requirements)
- 3 credits of Lab Science (one must be Biology)
- 3 credits of Social Studies (World History, AM/ AZ History, Gov't paired with Econ)
- 1 credit of Fine Art/CTE
- 1 credit of Health paired with PE
- 6 credits of Electives (Universities require 2 of these electives to be a World Language)

Freshmen, Sophomores, and Juniors must be enrolled in six (6) credit classes. Seniors with sufficient credits to graduate (18) may enroll in as few as four DVUSD or West-MEC classes. Seniors deficient in credits to graduate must be enrolled in up to six DVUSD credit classes which may include on campus, off-site CTE programs, Deer Valley Online Program and West-MEC programs.

EARLY GRADUATION

Students planning on early graduation must file a request at the beginning of their last year of attendance. Early graduation requires administrative approval and the approval of the parent unless the student is 18 years of age. Diplomas will be awarded at the yearly commencement or

Academics

may be picked up after commencement.

LATE ENROLLMENT

No new student will be enrolled **for credit** after school has been in session for more than twenty (20) days unless the student is transferring from another school/district

SCHEDULE CHANGES

Since numbers of course sections depend upon pre-registration information, there will be no schedule changes except for the following:

- Computer error
- Changes needed to satisfy graduation requirements
- Changes required due to medical need (documentation required)
- Completion of a course in Deer Valley Online Program.

Students who request an AP course or Honors course are accepting the rigor that comes with these advanced academic courses. Once students and parents agree to the requirements, they will be enrolled in an advanced academic course. No level changes will be considered for students in advanced academic classes before the 15th day of class and after the 25th day of class. The teacher will only consider students for a placement change whose effort is consistent with the expectation yet show limited success in the class.

Students may request a level change from a regular-level course to an honors level course within the first 15 days of the semester, provided there is sufficient data that such a change is merited.

Any student (regular or (H), (AP)) who withdraws from a class after the first fifteen (15) days of the semester, but before the end of the tenth (10) week will receive a grade of WP or WF. Student attends class until the end of the term. Requests for class withdrawals will not be processed after the tenth week of the semester. WP or WF grades will be posted on a student's transcript but not factored into GPA or class ranking. Students who receive a WF will be ineligible for extra-curricular and AIA participation.

CONCURRENT ENROLLMENT CREDITS

Boulder Creek High School may accept credits from an accredited correspondence or summer school program. Please check with your counselor. The school may accept credit earned by a student through extension study towards satisfying the requirements for graduation provided the course has been approved by the counselors/administrators in advance of the student's course enrollment. A maximum of three concurrent enrollment credits may be accepted.

AUDITING COURSES

Audits are primarily for students who enter school after the 20-day limit has expired. Approved audits are official agreements and will be noted on the student's schedule and transcript. Under no circumstances will an audit request be granted in order to avoid the consequences of a grade.

Academics

RENAISSANCE HONOR CORD RECOGNITION PROGRAM

BCHS students showing academic success at BCHS earn graduation cords that are worn over the gown at the commencement ceremony.

Beginning in the 2023-2024 school year, BCHS will recognize students' success in a semester by removing the cumulative GPA requirement from the previous criteria. In order for students to earn Honor Cords, they must complete at least four classes at BCHS during that semester and meet one of the following criteria:

- Gold Cord = All As
- Silver Cord = All As or AP/honors Bs
- Black Cord = All As or Bs
- White Cord = All As or Bs AP/honors Cs

Students will receive their 2023 Fall Semester Honor Cords in Spring Semester

Prior to 2023-2024, students earned Honor Cords based on completing four BCHS classes during the semester and

- Gold Cord = All As and honors/AP course Bs (GPA above 4.0)
- Silver Cord = All As and honors/AP course Bs or C's with a 4.0+ GPA
- Black Cord = All As, Bs, and honors/AP course Cs with a 3.5-3.9 GPA
- White Cord = All As, Bs and honors Cs with a 3.0-3.4 GPA

Students in the class of 2024, 2025, and 2026 will receive previously earned honor cords during the Fall of 2023.

Students must keep their cords to wear for the graduation ceremony. BCHS will not reissue Honor Cords. Cords are not issued for the eighth and final semester during the senior year.

GRADUATION INFORMATION

Graduation information will be shared with seniors at a January senior meeting and an April senior meeting. All information will also be shared and available on our [graduation page](#) on our website as soon as it comes available.

The Certificate of Academic Distinction offers honors students the ability to earn a distinguished program of study while at Boulder Creek High School. Students who sit for the Certificate of Academic Distinction will complete four years of advanced studies, including two years of Advanced Placement and community college curriculum. The certification's culminating project is an independent interdisciplinary senior thesis program developed by the student in cooperation with faculty mentors. While similar programs exist at the university level, they are rarely found in a high school setting. This distinction places the participants above and beyond high school graduates across the state and increases their competitiveness in college placement and scholarship programs.

CERTIFICATE OF GLOBAL STUDIES

To maintain a competitive edge in the emerging global economy, Boulder Creek High School delivers a curriculum that promotes academic rigor, technological integration, and cultural awareness. These skills will ensure that graduates are employable and have post-secondary choice and opportunities. To do so the school provides curriculum in Spanish, French, and Mandarin Chinese instruction. The school also provides a global awareness curriculum in a variety of departments. Students may also earn a supplement to their diploma, the Certificate of Global Studies. The certificate promotes foreign language fluency, travel abroad, and completion courses signified as global awareness.

DISCIPLINE GUIDELINES & PHILOSOPHY

Success in school occurs when there is close cooperation between its students, staff and parents. The purpose of this handbook is to communicate the expectations of the Deer Valley Unified School District (herein referred to as “District”) for student conduct to promote a safe, orderly and positive learning environment and to address certain student rights and responsibilities. The District Governing Board, administration and staff, regard student and staff safety as paramount while also ensuring students’ rights are protected.

Maintaining a positive, disruption-free school environment is vital to student academic success. All of us—students, parents, and educators—are partners in fostering that environment. DVUSD schools place heavy emphasis on building positive school cultures that are proactive, safe, and supportive.

[2023-2024 DVUSD Students Rights and Responsibilities Handbook](#)

DVUSD – PROGRESSIVE DISCIPLINE

Progressive discipline may be used in cases in which a student commits the same infraction repeatedly over the duration of the student’s tenure in the District. Progressive discipline allows for discipline to be carried over year to year. For example, if a student is disciplined once for Endangerment during their 8th grade year and then again for Endangerment during their 10th grade year, the later incident may be categorized as a second offense and may warrant a more severe consequence than the minimum consequence listed in the discipline guidelines in the SR&R handbook.

Because some consequences apply to certain problems and not to others, it is not possible to list disciplinary options in a strict order of progression from less to more serious. Nevertheless, the District’s approach to student discipline is progressive in nature, and this glossary is generally organized to present consequences of misconduct in order of increasing severity.

Conference

A teacher, administrator, or other staff member will talk with the student about expected behavior and the consequences of misconduct.

Parent Involvement

A teacher or administrator will discuss student behavior with parent/guardian, seeking cooperation in creating a positive behavioral change.

Loss of Privileges

Any privilege that is abused may be revoked, pending behavior change or fulfillment of reasonable requirements. Privileges may be restored to students partially or fully and may depend upon development of a behavioral contract. Loss of privileges may include the student’s right to be enrolled in a class, or participation in extracurricular activity.

Detention/Campus Community Service

Detention is mandatory time spent in an assigned location. Campus community service is the

Campus Expectations

performance of supervised work for the school. Detention or campus community service may be assigned before school, during the lunch period or after school. Parent/guardian will be notified prior to assignment of either school detention or campus community service.

Behavioral Contract

A teacher or administrator may outline in writing the terms upon which certain student privileges will be granted or continued and specific consequences if terms are broken. Signatures of both student and school officials are required. In some stances, parent or guardian will also be expected to sign, indicating agreement to terms of the contract.

On Campus Suspension (Short Term)

With notification to the student and parent/guardian, a school administrator may remove a student from all classes for a period of one to ten days. During this time, the student's assignments will be provided. The student's access to school services, facilities and personnel will be limited to the on-campus suspension area. The student is not permitted to participate in or attend any school sponsored events during the period of suspension.

Off Campus Suspension (Short Term)

With notification to the student and parent/guardian, a school administrator may remove a student from all classes for a period of one to ten days. During this time, the student's assignments will be provided. The student is not permitted to participate in or attend any school sponsored events during the period of suspension.

Long Term Suspension Hearing

A long term suspension is a withdrawal of the privilege to attend school that exceeds ten school days in duration and extends for a specified period of time.

Off Campus Suspension (Long Term)

Acting upon the recommendation of the administration, a hearing officer may deny all school privileges to a student for a period of eleven days or more.

Expulsion

Acting upon the recommendation of a hearing officer, the Governing Board may permanently deny all school privileges to a student.

Manifestation Determination

Before the 11th day of suspension is imposed, the IEP Team, including the parents and the Director of Student Support Services or designee, must meet to review the relationship between the child's disability and the behavior subject to the disciplinary action to determine whether or not the behavior in question was a manifestation of the student's disability.

Restitution

When personal or school property has been damaged, stolen, lost, or destroyed, the student may be held responsible for replacing or paying the cost of the item. Restitution may be required in addition to other behavioral consequences.

Revocation of Open Enrollment

Campus Expectations

A student who is on an open enrollment variance may lose that privilege if the student demonstrates poor attendance or fails to follow school rules.

PBIS: JAGUAR PRIDE

Boulder Creek High School continually strives to improve our campus environment by promoting positive relationships between students, parents, and staff. We will continue implementing PBIS – Positive Behavioral Interventions and Supports. PBIS is a research-based approach to preventing student behavior problems. This behavioral system consists of clear communication of behavioral expectations, procedures to reinforce behaviors, respond to misbehaviors, and data-based decision making.

PBIS has been shown to save instructional time, improve school climate, and improve staff and student satisfaction. Our slogan that encompasses the positive climate we hope to solidify: Jagnation: We're All In!

Jaguar **PRIDE** will be defined by the following tenets:

Prepared- Be prepared in everything you do
Respectful - Respect all things/people around you

Integrity - Do things with integrity and intention

Discipline - Be disciplined in your actions

Everyone united.

The behavioral expectations will be posted and reviewed with students throughout the year.

PBIS – Positive Behavior Intervention System

Be **C**lassy cards - Boulder Creek High School will have a monthly behavioral school goal they are focusing on. When students are following this goal or going above and beyond everyday

Campus Expectations

PRIDE expectations, teachers will hand a student a “Be Classy” card. The student will write their name, I.D. # and date on the card. Cards will be placed in a tub in the student lobby of the administration building. Monthly drawings will take place where a student can win Front Row parking spots for the month, free athletic pass, free year book, Homecoming/Prom passes, front of the line lunch pass, gift cards, etc.

BEHAVIOR EXPECTATION MATRIX

BCHS PBIS - PRIDE matrix is used to define appropriate behavior for different locations on campus. This resource will be used when teaching student expectations.

BEHAVIOR FLOW CHART/ PROGRESSIVE DISCIPLINE

Progressive discipline may be used in cases in which a student commits the same infractions repeatedly over the duration of the student's tenure in the district. It can also be carried over year to year. For example, if a student is disciplined once for Endangerment during his/her 6th grade year and then again for Endangerment during his/her 8th grade year, the later incident may be categorized as a second offense and may warrant a more severe consequence than the minimum consequences listed in the discipline guidelines in the Student Rights and Responsibilities Handbook.

Boulder Creek Students should conduct themselves appropriately and project a positive image of themselves, family, and school. If students make the decision that violates the Student Rights and Responsibilities Handbook, disciplinary action will be taken. The following information is present so students are aware of our potential consequences. Disciplinary action takes the form of but not limited to: conferencing, loss of campus privileges (i.e., purchasing parking, attendance at campus extracurricular events or activities, graduation ceremony attendance), detention, in school suspension, and off campus suspension.

SENIOR CLASS RESPONSIBILITIES & EXPECTATIONS: GRADUATION CEREMONY

This is an exciting time in life. We want students to enjoy every moment of their senior year and BCHS will do all it can to assist in student success.

As seniors, your responsibilities are much greater than a junior, sophomore, or freshman and BCHS expectations are equally more significant. A source of frustration for seniors can be that the actions of a few may take away or diminish the significance of the senior year for everyone; this is especially relevant to the graduation ceremony. At any point during the senior year if behavior indicates an unwillingness to behave in a socially acceptable manner, you will not be included in the graduation ceremony.

If a senior is involved in a major or serious discipline matter, or there is a series of discipline concerns, an additional disciplinary consequence may be “exclusion from the graduation ceremony”. This is effective immediately and pertains throughout the school year. As a part of due process, and in fairness to the student, a standing committee composed of BCHS staff members will review all appeals to the recommendation for “exclusion from the graduation ceremony.”

DVUSD STUDENT DRESS CODE

The District encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health, and welfare of self and others.

During the school day:

- Clothing must cover the entire buttocks and not be see-through. Shirts and tops may not expose bare midriffs, bare shoulders, nor be deeply or narrowly cut in the front, back, or under the arms. Halter tops, spaghetti straps, and strapless tops are not acceptable. Clothing that exposes undergarments will not be tolerated for males or females.
- Shoes must be worn at all times. Closed shoes are to be worn for any type of physical activity, such as physical education, cheer practice, weight lifting, et cetera.
- Jewelry shall not be worn if it presents a safety hazard.
- No hats, bandannas, other head coverings, or sunglasses may be worn inside any campus building at any time, except for properly approved occupational safety headgear required for special classes or if authorized by a school administrator or authorized/prescribed by a medical professional. Hats and sunglasses may be worn outside.

Campus Expectations

- Obscene language or symbols, or symbols of drugs, sex, alcohol, or weapons on clothing are expressly prohibited.
- Clothing, accessories and/or jewelry may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
- Students may wear clothing, accessories and jewelry that display religious messages or religious symbols in the same manner and to the same extent that other types of clothing, accessories and jewelry that display messages or symbols are permitted.
- Tattoos displaying defamatory writing, obscene language or symbols, or symbols of drugs, sex, alcohol, or weapons must be covered.
- Students may not wear clothing, accessories and/or jewelry that is worn with the intent to convey affiliation with a criminal street gang as defined in A.R.S. 13-105.

Exceptions for special activities or health considerations may be pre approved by the administrator.

Students who participate or volunteer in extracurricular activities, such as athletics, band, chorus, et cetera, are subject to the standards of dress as defined by the sponsors of such activities. (Ref. DVUSD Policy JICA)

CONDUCT OFF CAMPUS

Per A.R.S. 15-342, students may be disciplined for disorderly conduct on the way to and from school. Additionally, students may be disciplined for conduct that occurs off campus (after the student arrives home, on the weekend, etc.) that has a significant impact on campus.

ELECTRONIC DEVICES/ SOCIAL MEDIA

Many students want to have the privilege of carrying electronic devices on campus. With that privilege comes the responsibility of ensuring that those items are not used inappropriately or at inappropriate times on campus or on a bus. If they are on and make a noise, vibrate or otherwise call attention to themselves, the device is creating a disruption. **Unless approved by the teacher, these items must be in the off/silent position and be kept out of sight preferably in the student's backpack.** Misuse of electronic devices may result in discipline procedures in addition to the confiscation of the device. Recording in the classroom without prior administrative permission may be a violation of FERPA. Please see Bus Discipline Procedures regarding personal electronic devices on the bus.

This is intended to promote the responsible use of all personally owned electronic devices in the Deer Valley Unified School District. Students are solely responsible for the proper use and security of any personally owned electronic device that they bring onto DVUSD property or to DVUSD sponsored activities.

Students should understand that they bring an electronic device on campus at their own risk. DVUSD assumes no liability for the loss, theft, or damage of any personally owned electronic device on campus. The use of personally owned electronic devices on campus will not be allowed to interfere with the learning process of any student or with the instructional process of a teacher while in the classroom or on campus. Any such interference will be considered a disruptive activity.

Campus Expectations

For most kids and teens, social media is an essential part of their lives. There are many good things about social media, but there are also many potential dangers. We encourage parents/guardians to get educated about social media, and to help their child make good choices when they post something online. For more information on ways to keep children safe while using social media, please visit

www.common sense media.org/privacy-and-internet-safety .

Because we live and work in a world where technology is ever present, we strive to embrace the use of technology. As we integrate technology in our classrooms, we consistently teach students how to use technology appropriately so they will be successful in various school and workplace situations. We also determine when technology is used and our goal is to use it only to enhance learning and to expand opportunities. Technology is a powerful tool and can provide unlimited opportunities for young people, yet it's use comes with both risks and benefits:

- Benefits include socialization and communication; self-expression and creativity; cross-cultural communication and involvement in civic issues and causes.
- Risks include exposure to inappropriate or illegal content; sharing of too much information; sharing of inappropriate photos or information; and even harassment or cyberbullying.

At BCHS, we are a Tech Rich school, and we provide students with iPads. We also have laptops and use desktop computers in CTE classrooms. Technology, when used correctly, plays an important role in the learning process and yet as educators we also understand how technology can add to overload or even interfere with learning and success. **Cell phones and other electronic devices are not needed, and we ask that these devices not be visible or used once the bell rings to begin class.**

If a student does need access to their cell phone during class for an emergency, they must communicate this to the teacher and both will agree on when and how the situation is to be handled. When a cell phone or electronic device other than the assigned iPad is visible during class time or causes a disruption, the following steps are to be taken:

- 1st offense - Student will be asked to put the cell phone or electronic device away (in the backpack or a pocket) and the teacher will reiterate that technology is to be used to enhance learning but must never distract from the learning in a classroom. The teacher will document this using the PBIS Rewards/Referral Program.
- 2nd offense - Student will be asked to place their cell phone or electronic device in a secure location as designated by the teacher (this might be a locked drawer, a clear pencil box or a shoe sleeve, etc.) The electronic device will remain there for the remainder of the class. The teacher will document this using the PBIS Rewards/Referral Program.
- 3rd offense - Student is sent (with the phone and an electronic violation form) to the conduct office. The phone will remain in a secure location in the conduct office until the end of the school day. The teacher will document using the PBIS Rewards/Referral Program

All violations are documented using the PBIS Rewards/Referral Program or as a discipline log entry once the conduct office is involved. If a student has three or more violations documented in the conduct office, the device remains with BCHS Administration until a parent/guardian is able to pick it up, and the student will be assigned additional consequences.

Campus Expectations

BULLYING

Repeated acts over time that involve a real or perceived imbalance of power with the more powerful child or group attacking those who are less powerful. Bullying can be physical in form, verbal, or psychological. It may include intimidation and harassment that includes derogatory comments, extortion, exploitation, name calling, or rumor spreading. Cyber-bullying includes bullying through the misuse of technology. (A.R.S. 13-2921) Student's who believe they are experiencing being bullied or suspect another student is bullied should report their concern to any staff member of the District. School personnel are to maintain appropriate confidentiality of the reported information.

WHAT IS NOT BULLYING?

Adults must realize that not every unkind thing a child does constitutes bullying. For example:

- Being left out is not always bullying. It's natural for kids to have a select group of friends. Although they should be kind towards everyone, it's unrealistic to expect them to be close friends with every child they know, and be invited to every function or event.
- Experiencing conflict is not bullying. Learning to deal with conflict is a normal part of growing up. The key is for children to learn how to solve problems peacefully and respectfully.
- Not playing fair is not bullying. Wanting a game to be played a certain way is not bullying. Children understand the concept of sharing, and should take turns being in charge of the game.

When observing the unkind behaviors your child experiences, be sure to label them correctly. This will help you know how to handle the situation appropriately so that your child can learn and grow from it.

CAMPUS COMMUNITY SERVICE

Administrators may, as an alternative to discipline and when appropriate to do so, assign campus community service as a behavioral consequence. The administrator will determine the amount of time to be served and the services to be provided to the campus. The option to use campus community service as an alternative to discipline is at the sole discretion of the administrator.

ELECTRONIC SMOKING DEVICE: VAPING

Possession or use of any electronic device, the use of which may resemble smoking, which can be used to deliver an inhaled dose of nicotine or other substances to the user. Electronic Smoking Device includes any such electronic smoking device, whether manufactured, distributed, marketed, or sold as an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, wax pen, or any other product name or descriptor. This category includes possession of any component, part, or accessory of an electronic smoking

Campus Expectations

device. NOTE: Possession of tobacco or marijuana products on K-12 public, charter, or private school grounds, buildings, parking lots, playing fields and vehicles, and at off-campus school-sponsored events, is a petty criminal offense. "Petty" offense is punishable by a fine of up to \$300. (A.R.S. 36-798.)

DRUG FREE CAMPUS

DVUSD does not tolerate the use, possession or distribution of drugs or drug related items on campus. This includes, but is not limited to, over the counter non-prescription drugs, supplements and/or nutritional supplements, chemical substances, narcotics, prescription medications, inhalants, controlled substances, synthetic substances, or substances that students represent to be chemical substances, narcotics or controlled substances. For a full definition and consequences, please see the Students Rights & Responsibilities Handbook.

FOOD AND DRINK/OFF-LIMITS AREAS/LUNCHES

- No food or drinks will be allowed in the classroom.
- Students are not allowed in the halls or on the stairways during lunch.
- Eating on campus is restricted to the cafeteria, echo circle, and other designated areas.

INTERNET USER AGREEMENT

The Network is provided for students/users to conduct research and communication for academic purposes only as determined by the District curricula. Independent access to network services is provided to students/users who agree to act in a considerate and responsible manner. Access is a privilege, not a right, and entails responsibility. Students are responsible for appropriate behavior/communication on school computer networks, just as they are in classrooms or school buildings. Network storage areas may be treated like school lockers. All network administrators/teachers may review files and communications to maintain system integrity and ensure responsible use of the Internet by requesting a search history of websites visited to ensure that such use meets the District's intent as a tool for academic purposes. Files stored on District servers are not private.

Communications are public and often uncensored and students may come in contact with materials that are controversial or inaccurate from all around the world. The District uses an internet filtering mechanism that promotes the safety and security of the use of the District's online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. The District is not responsible for the accuracy or appropriateness of information retrieved, or for lost, damaged or unavailable information. Outside of school, families must bear the responsibility for such guidance as they also must do with information sources such as television, telephone, movies, radio and other potentially offensive media. Parents may revoke their students' Internet/E-Mail privileges at any time by notifying the school in writing.

THE FOLLOWING ARE NOT PERMITTED:

1. Send, access, download or display offensive messages or pictures

Campus Expectations

2. Use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language
3. Harass, insult or attack others
4. Damage computers, systems or networks
5. Violate copyright laws and regulations
6. Use passwords of others
7. Share passwords with others
8. Trespass in others' folders, work or files
9. Employ the network for commercial purposes
10. Provide personal information, i.e., names, addresses, phone numbers, card numbers, etc.
11. Tamper as defined in A.R.S. 13-2316 and as described under the infraction Computer/Network Infraction/Telecommunication Device and in the DVUSD Student Rights and Responsibilities handbook
12. Students may not install, copy, or download games, music, movies, and any unauthorized software or violate any copyright laws
13. Post chain letters or engage in "spamming"
14. Unauthorized access to District network resources

SANCTIONS:

1. Violations of the above may result in a loss of access
2. Violations of the above may be subject to disciplinary action including expulsion/dismissal
3. When applicable, law enforcement agencies will be involved

By not signing the Internet and E-Mail User Agreement, you must be aware your child may:

1. Observe other students using the Internet
2. Witness classroom teachers using the Internet as an instructional tool
3. Witness other campus staff using the Internet for instructional purposes (Ref. DVUSD Policy IJNDB)

INTERVIEWS

School officials may question students regarding matters related to school without limitation. The parent will be contacted if a student is then subject to discipline for a serious offense. A student may decline at any time to be interviewed by a law enforcement officer or another peace officer.

If a Department of Child Safety worker or peace officer enters the campus requesting to interview a student attending the school, the personnel of the District will cooperate with the investigating Department of Child Safety worker or peace officer. If a student is taken into temporary custody in accordance with A.R.S. 8-821, school personnel may respond to inquiries about the temporary custody of the child.

If a peace officer enters the campus requesting to interview a student attending the school on an issue other than upon request of the school or for abuse, the parent will be contacted and will be asked if they wish the student to be interviewed, unless directed not to by the peace officer. If

Campus Expectations

the parent consents, the parent will be requested to be present or to authorize the interview in their absence within the school day of the request. Where an attempt was made and the parent could not be reached or did not consent within the school day of the request, the peace officer will then be directed to contact the parent and make arrangements to question the student at another time and place.

When a peace officer is present on the campus to interview students at the request of school authorities, parents will be contacted if the student is to be taken into custody or if the student is subject to discipline for a serious offense.

LEAVING WITHOUT AUTHORIZATION

BCHS is a fully “Closed Campus”. This means that there are NO lunch passes or means for students to leave campus unless procedures for signing their student out are followed.

Those procedures are:

- All students must check out at the front desk.
- In order for a student to leave campus during school time, a parent or guardian must first contact the school (Attendance
- Office) and then sign them out at the Front Desk.
- Failure to follow these rules will result in receiving an unexcused absence and possible disciplinary action. Once a student leaves campus with or without permission, the school assumes no responsibility.

Students who have an early release schedule will have a designated I.D. card that will show when they are allowed to leave campus during the day. After a student has left campus because their school day is complete, they must not enter back onto campus unless they have checked in at the front office, have a visitor’s pass and are attending a specific location.

RECORDING DEVICES

Teachers, staff, and students have a reasonable expectation of privacy. Students are not to use personal electronic devices for the purpose of surreptitiously taking, sending, recording or transmitting photos, conversations, or videos of others at school, on the bus, or at school-related activities/events. Recording devices that can be controlled remotely are prohibited.

SUSPENSION, EXPULSION & ABUSE OF EMPLOYEE

A.R.S. 15-841: (Teacher Refusal to Readmit)

- The teacher has documented that the pupil has repeatedly interfered with a teacher’s ability to communicate effectively with other pupils in the class or with the ability of the other pupils to learn.
- The teacher has determined that the pupil’s behavior is so unruly, disruptive, or abusive that it seriously interferes with the teacher’s ability to communicate effectively with the other pupils in the classroom or with the ability of the other pupils to learn.

The matter will be referred to the school placement review committee (SPRC) constituted in

Public records, including electronic records, not listed in this schedule are not authorized to be destroyed.

SEARCHES

School and District officials are authorized to conduct a search when on school grounds, in a vehicle owned, leased or otherwise used by the District or school, or at a school activity, when there is reasonable suspicion that the search will result in the discovery of:

- "Contraband" includes all substances or materials prohibited by District/school policy or state law including, but not limited to, drugs, drug paraphernalia, alcoholic beverages, and/or,
- any material or item which presents an imminent danger of physical harm or illness, and/or

School lockers, desks, and student storage areas are school property, which the District has made available for use by students for educational purposes and school officials have the right to inspect lockers, desks, and student storage areas in discharge of their duties.

When there is reasonable suspicion that contraband, materials or items which present an immediate danger of physical harm or illness are present in a student automobile, District/school officials have the right to search the automobile when it is parked on or being operated on school property. When the owner of the automobile is other than the person in possession of the automobile, the owner will be notified that a search has taken place.

While a search of a specific student or the student's belongings by a sniffer dog is not permitted without reasonable suspicion, school officials can use a sniffer dog to sniff objects such as lockers, classrooms, or automobiles parked on school property. No students will come into direct contact with the dog or be personally sniffed by the dog without officials having reasonable suspicion or knowledge of individualized conduct that violates the law or District policy.

Reasonable efforts shall be made to notify the student's parent(s)/legal custodian(s)/guardian(s) and secure his/her presence before a search is made. When prior notification will result in a delay, which will impede the purposes of the search, or when efforts to notify are unsuccessful, the District/school official conducting the search shall notify the student's parent(s)/legal custodian(s)/guardian(s) of the search as soon after as practicable.

Personal searches may be conducted by a District/school official when there is reasonable

suspicion that a particular student is in possession of contraband, materials, or items which present an immediate danger of physical harm or illness. The searches will be conducted out of the presence of other students and in a private room. Searches of the student shall be limited to:

- searches of the pockets, shoes and socks of the student
- any object in the student's possession such as a purse, backpack, or briefcase

When extreme emergency conditions require a more intrusive search of the student's person, the District/school official shall contact the local law enforcement agency.

Contraband materials as identified in the Introduction above may be seized when found in the course of a search. Any such items seized may be:

- returned to the parent or guardian of the student from whom the items were seized;
- offered as evidence in any suspension or expulsion proceeding if they are tagged for identification at the time seized;
- turned over to law enforcement officers; or
- destroyed

STUDENT USE OF PHYSICAL FORCE IN SELF-DEFENSE

Reasonable use of physical force in self-defense, defense of others and defense of property will be considered as a mitigating factor in determining penalties for misconduct. The threat or use of physical force by a student is not reasonable:

- when made in response to verbal provocation alone;
- when assistance from a school staff member is a reasonable alternative;
- when the student has a reasonable opportunity to remove him/herself from the situation or otherwise flee;
- when the degree of physical force used is disproportionate to the circumstances or exceeds that necessary to avoid injury to oneself or to others, or to preserve property at risk.

USE OF PHYSICAL FORCE BY SUPERVISORY PERSONNEL

Any administrator, teacher or other school employee entrusted with the care and supervision of a minor may use reasonable and appropriate physical force upon the minor to the extent reasonably necessary and appropriate to maintain order. Use of physical force shall not be construed to constitute corporal punishment. Similar physical force will be appropriate in self-defense, in the defense of other students and school personnel and in the prevention and termination of the commission of theft or criminal damage to the property of the District or the property of persons lawfully on the premises of the District

In alignment with the DVUSD Emergency Preparedness Plan, BCHS practices a minimum of the following safety drills:

- Evacuation Drill: Monthly (Old “fire drill”)
- Lock Down/ Lock Out Drill: Quarterly

BCHS may have additional practice scenarios and drills, especially at the start of the school year to ensure students and staff are trained in safety procedures.

Please understand that during drills and safety procedures, the office will be closed and there will be no access to students and staff. Once the drills have been completed, the office will reopen as usual. We appreciate your cooperation and support as we perform these important practice scenarios.

In the event of a safety event, the first place information will be shared with families and the community is on the [BCHS](#) and [DVUSD](#) website. It will appear as an alert that covers the front page of the website.

SAFE SCHOOLS HOTLINE

Anonymous Safe School Hotline Phone: 623-376-3262 Hours: 24 hours/7 days a week

[Safe Schools Reporting Form](#)

The DVUSD has established an Anonymous Hotline for students, parents, educators, or community members to report rumors or information on criminal activity on campuses or against Deer Valley students. Deer Valley is encouraging any information on possible crimes or violent activity to be reported immediately, even if the information is merely a rumor. These calls can be made anonymously, as the district's goals are to maintain safe, secure campuses. In addition, calls on suspected drug use, vandalism, or thefts are welcomed to help hold accountable those who commit criminal acts. When appropriate, information from the Safe Schools Hotline will be shared with local law enforcement. The hotline will be monitored throughout every school day, but should not be considered a replacement for 911. In an emergency or situation requiring immediate police action, (i.e., fire, crime in progress, etc.) a call should be made to 911 to make an immediate report to the proper authorities. Maintaining safe campuses requires the efforts of everyone in the district, including students, parents, educators, and support staff. Safety is an ongoing commitment that is possible only through the efforts of

There are three areas of focus: Transportation, Facility/ Maintenance, and Safety/Welfare. Answer Now is to be used only in emergencies that may involve a significant maintenance problem or a matter involving the safety or welfare of staff or students.
