6th Grade Special Areas BINGO

To complete a BINGO, you must fill in 5 boxes (anywhere on the board) and include at least TWO different special area classes... Can you do it by the end of the week? You are welcome to do more if you'd like =) Make sure you're looking at the class listed... if you are NOT in band or choir, you cannot complete those boxes. When you have completed a task, make a note of it!
