

MRHS Curriculum Fair

Creative Writing

**“You can speak well if your tongue can deliver
the message of your heart.” –John Ford**

Why Creative Writing is Awesome!

- Choices. You choose all topics you want to write about.
- Genre study. Write in different, creative genres like memoirs, short stories, flash fiction, poetry, and more!
- Time to write creatively each and every day!
- The class adapts to you.
- It's FUN. Be funny. Be serious. Be YOU.

Creative Writing

Imagine, Create, Inspire, Design

Write creatively and independently for audience and publication!

Types of Projects

- Fiction Writing: short stories, novels, you choose!
- Memoirs
- Creative Non-Fiction
- Poetry
- Screen Plays
- You Choose!

Here's what this course can do for you:

- Teach you effective techniques for a variety of creative writing types
- Learn how to write for a publication
- Help create an online literary magazine
- Evaluate effective creative writing
- Get an audience for the writing you are already doing
- Tap into your creativity

This course is for the student who wishes to improve his/her ability to write creatively in a fun elective credit.
