Variety of Aptitudes

Gifted Academy: Teachers Collaborating to Meet the Needs of  
the Whole Student

# What to Expect in Gifted ELA

01

## Project-Based Learning

There are many developmental opportunities including problem-solving in project-based learning.

03

## Focus on Choice

Students will have more opportunities to show their skills through a variety of choices in assignments.

02

## Adjusted Pacing

The pacing of the content as well as the timeliness of assignments will be adjusted for student needs.

04

## Real-World Application

Much of the learning will be applied to real-world scenarios.
