

Dear Summer School Parents and Students,

There are some recent and immediate changes for our 8th grade summer school participants. Deer Valley will need to upgrade your student's current device over the summer to ensure that they have proper working technology for the academic year. Because of this we will need to **collect their current device and supply them with devices** that will meet their academic needs for our summer program.

Please read the options below:

8th grade summer school students only:

- Please **return** your current device to your current K-8 boundary school

- If you **do not need** Deer Valley USD issued technology this summer and **will use your own device**, you will have the opportunity to retrieve a new device at your high school **next year**.

- If you **need** Deer Valley USD issued technology for summer school, please visit your **BOUNDARY HIGH SCHOOL** to check out technology starting **May 24, 2021**.
 - Dawn Pace - BGHS
 - Dean Kirkpatrick - BCHS
 - Paul Roskelley - DVHS
 - Breanne Cole - MRHS
 - Jason Rypkema - SDO

- If you a **FULL TIME online open enrollment student for 2021- 2022** and have **received an acceptance letter** please visit The Traditional School at Bellair located at 4701 W. Grovers Ave 85308 on May 24, 2021 to retrieve your technology.
 - **You must be accepted as a full time online student for next year to be eligible for this option.**

Juliet Amara / Director of Online and Virtual Programs
