Reminder:

As part of your Education and Career Action Plan (ECAP), four-year plans are available online at AzCIS– on the MRHS Counseling web page under the ECAP tab.

Students enrolling in Honors and AP courses must commit to three (3) weeks in the class before requesting a level change. Level changes are not guaranteed and must be supported by appropriate documentation.

I understand the only valid reasons for a schedule change are computer error, changes needed to satisfy graduation requirements, changes required by health, completion of an approved summer school, community college, or online course.
