NOTICE TO PARENTS REGARDING DIRECTORY INFORMATION:

According to state and federal law, directory information may be publicly released to an institution of higher learning (community colleges, universities, trade schools) or military representatives. Directory information may consist of the student's name, grade level, address and phone number, dates of attendance, enrollment status, participation in officially recognized activities and sports, weight and height (if a member of an athletic team), honors and awards received, date and place of birth, and image in photographs or video.

Please note the following statement from the U.S. Department of Education: "Recognizing the challenges faced by military recruiters, Congress recently passed legislation that requires high schools to provide to military recruiters, upon request, access to secondary school students and directory information on those students. Both the No Child Left Behind Act of 2001 and the National Defense Authorization Act for Fiscal Year 2002 reflect these requirements. In accordance with those Acts, military recruiters are entitled to receive the name and address listing of juniors and seniors in high school."

Family Educational Rights and Privacy Act (FERPA) allows schools to disclose directory information without consent to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific state law.

You are required to initial beside only ONE of the following statements:

_____ I give consent to DVUSD to release Directory Information regarding my child for non-commercial purposes. (This includes permission for your child to participate in individual and class photos, appear in the yearbook, promoted through school and district publications for awards, special recognitions, sports and extracurricular activities.)

_____ I **do not** give consent to DVUSD to release Directory Information regarding my child for the following: **(check all that apply)**

_____ My child's photo to be taken individually or in class photo and published in the school yearbook.

_____ My child's photo to be published in school or district publications including the student newspaper, local newspapers, publications for awards, special recognitions, or sports and extracurricular activities.

_____ My child's Directory Information to be released to any institution of higher education: community colleges, universities, trade schools.

_____ My child's Directory Information to be released to a military recruiter.

If the school district does not receive this notification from you within two weeks of receipt of this notice, it will be assumed that your permission is given to release your child's directory information. Please be assured that your child's safety and welfare are our primary concerns. As in the past, we will be prudent and cautious in all of our practices regarding this issue. If you wish to make a change to your choice above, you can do so at any time by contacting your child's school. This form will remain in effect until an updated form is filled out and returned to your child's school.
