

# Desert Sage Fourth Grade

## Mandarin Learning in Action

**Reading:** This week we will learn to recognize features of informational text, synthesize ideas, and explore how the use of problem-and-solution text structure contributes to the author's purpose.

**Writing:** Students will edit their opinion essay and practice using persuasive language.

**Social Studies:** Students will learn how Native Americans used wampum beads as a form of money.

**Science:** This week students will continue to learn how to analyze and interpret environmental data to demonstrate that species either adapt and survive, or go extinct over time.

**Math:** We will be learning about Multiplication of Two-Digit by Two-Digit Numbers.

**Mandarin:** We will be learning Intermediate 1 unit 3 characters 客人, 鸡蛋, 黄, 绿, 香蕉, 舒服, 菜, 饺, 米 and read a story about grocery shopping 'Buying Food' to understand the main idea and key information.

**Fun Run:** Our Fun Run donation drive has begun and we are super excited! You may donate using the link below.
