

Desert Sage Fourth Grade

Mandarin Learning in Action

Reading: For this week's reading selection, students will learn to recognize characteristics of personal narratives, ask and answer questions, determine text structure, and recognize figurative language.

Writing: Students will learn to research and identify a topic to write an informative/expository essay.

Social Studies: This week we are learning to create a presentation to compare the lives and civilizations of the people of the Anasazi, Mound Builders and Inuit.

Science: This week students will develop and/or revise a model using various rock types, fossil locations, and landforms to show evidence that Earth's surface has changed over time.

Math: We will begin module 3. Students begin Topic A by investigating the formulas for area and perimeter.

Mandarin: We will start Intermediate 1 unit 1 and learn story 'My best friend, little fish'.
