Stetson Hills School

Technology and Computer Applications

Teacher: Jake Pheyffer   Room: 222   Phone: 623-445-5379

Email: jake.pheyffer@dvusd.org   Website: https://www.dvusd.org/Domain/8516

My name is Jake Pheyffer and I am extremely proud to be a computer applications/technology teacher here at Stetson Hills School. I am dedicated to not only building knowledge and confidence in the use of technology, but also ensuring that every student is being prepared for their future. Technology can have a huge impact on the classroom and can be a catalyst for learning. Your child will gain confidence in using technology and learn to demonstrate this learning in practical ways by actively participating in this class.

I look forward to making a positive impact in the lives of the students at Stetson Hills School every day. I value relationships, learning, and truth. Please feel free to reach out if you have any questions, comments, or concerns.

GRADING
Students are graded on Assessments (70%) and Projects (30%). Percentage of points earned will be graded as follows:

90-100%	A (4 Exceeds)
75-89%	B (3 Meets)
60-74%	C (2 Approaching)
0-59%	F (1 Falls Below)

CLASSROOM NORMS
Students will be RESPECTFUL of themselves, others, and their learning environment. In order to keep a RESPECTFUL classroom running efficiently, each student is expected to keep the PACE by displaying the following characteristics:
1) Perseverance/pride
2) Accountability/attitude
3) Cooperation/caring
4) Excellence/engaged

CLASS WORK
Each assignment will be:
★ Done to the best of your ability.
★ All work should be NEAT and COMPLETE.

Statement for Academic Dishonesty:
Academic honesty is expected in this class. Cheating will not be tolerated. Consequences may include: reduction in grade on assignment, repeat assignment, no grade on assignment or others as deemed appropriate. Academic dishonesty will be reported to a school administrator and a parent will be notified.

ABSENCES

If you miss class, you MUST do the following:
1. On the day you return, ask your table group members what you missed.
2. Look over the material and ask for help about instructions you don't understand.*
3. You have two days to make up missing assignments due to absences.

*If there is a question that no one at your table can answer, then you may ask your teacher for help. Remember, your classmates are here to support you.

Student Name (PRINT) _____

I was given the above information and I understand what is expected of me so that I may have a pleasant, beneficial, and successful learning experience in Mr. Pheyffer's technology/computer applications class.
