

Welcome to 5th Grade

Mrs. Lasich

Welcome back to Gavilan Peak (virtually!)! I am so excited to be your teacher this year. My name is Melissa Lasich and I am looking forward to working with this wonderful group of students and parents. The beginning of a new year can be stressful for kids and parents, let alone under these circumstances. I want you to know that I am HERE and READY TO WORK to make this year the best that I can for YOUR CHILD. These are uncharted waters for me too but I am going to do my best each day to start the 2020 school year off strongly! At my heart I am a hands-on, classroom teacher, not a techie! Know that I am LEARNING and EMBRACING THIS CHALLENGE. We're all in this together.

COMMUNICATION

Email me at Melissa.Lasich@dvusd.org

I will try to always respond within 24 hours if not sooner.

Remind Texts will be used often this year. Please sign up today. I will be looking for 100% participation on this from our group. Students may sign up too! Enter this number **81010**. Text this message **@gpgrade5** to join the group "Grade 5 Mrs. Lasich".

GP Website Last year I updated a special link on my webpage weekly- It is called "Sneak Peek At The Week". Even though we are learning virtually for now I would like to continue posting important information here. I will let you know via email when it is updated.

TWITTER @GPgrade5 Follow me to get a look at some cool things that happened last year! I hope to post more when we are back in the class!

A Little About Me

Many of you already know I go by Missy! I'm from Pittsburgh, PA and have lived here in Anthem with my family since 2007. I'm basically a native because I've been bit by a scorpion. My kids Colin (grade 10) and Maddie (grade 7) are proud GP kids! My husband Andy and I have been married for 22 years. When I'm not teaching I'm baking, reading, walking, taking care of our naughty bunny Frankie, and staying in touch with my Pittsburgh family. I've been teaching lots of stuff since 1998 (little kids and big kids!) I miss my students and co-workers. I like reading funny stories in class, doing messy science experiments, and occasionally giving my students a treat on Fridays. I know we will be together again soon!
