

Welcome!

I am so happy to begin the school year! This is my fourteenth year of teaching and I have certifications in K-8 Elementary Education, K-12 Special Education, and have approved areas in Middle Grades Math and Middle Grades Language Arts. I also have two graduate degrees: a Master of Special Education and a Master of Educational Leadership. As you can tell, I love learning! In my extra time, I enjoy spending time with family in the wonderful outdoors of Arizona.

This year, we will be using a Learning Management System called Canvas. Your assignments in your classes will all appear in the Canvas system.
