October 2021

Dear Neighbors,

On Friday, October 22, 2021, as part of our Homecoming celebration, we will be having fireworks during certain exciting highlights of our game provided by Fireworks Productions of Arizona.

The game will start at approximately 7:00 PM and fireworks will be used intermittently during the evening until the game's completion.

This display will be provided with the permitted approval of the City of Glendale Fire Department.

While your home is well outside of the "safety fallout zone" designated by the regulations for having a fireworks display, we wanted to make you aware of the noise that could come from the stadium. While our celebration will contain beautiful fireworks which do make some noise, this show will contain no "titanium salutes." These are the fireworks which only produce a flash of white light and a deafening boom.

If you have a pet you believe may not respond well to the fireworks, it is suggested that you bring them indoors for the duration of the game that night.

We thank you for your understanding and hope you will join us in our excitement of our Homecoming event.

If you have any questions or concerns about the display, please feel free to contact Kendon Victor, Pyro Production Manager at:
