Dear Skyhawk Families,

The first day of school is almost here! We are excited to see you Monday, August 3<sup>rd</sup>. Your teachers have been hard at work planning meaningful online instruction for you. They have missed you! Your first hour starts at 7:30 am. Get your iPad charged up and create an area in your home that is your own personal workspace. You will want to make sure that you have logged on early, so that you are on time to your first zoom class. **You may not see your courses in Canvas until late Sunday night or very early in the morning on Monday.**

To be in class, ready to start on time, you will need to:

1. Go to PowerSchools, click on Classes on the bottom task bar, to identify what course you have each period
2. Open the Canvas App  

3. Find your first hour class in Canvas
4. Click on the Zoom link to enter your live class (you may have to enter the passcode)

Students will follow the same process throughout the day. Attached is the A/B Block schedule that you will follow daily. Remember, this is new to both our students and our teachers. Have patience if you are struggling getting into Canvas or your live zoom link. This is new for all of us! If you need technology support, please call the curriculum office at 602-467-6735 or email [lisa.kranz@dvusd.org](mailto:lisa.kranz@dvusd.org).

If you have a schedule problem that needs to be addressed, please reach out to the counseling office.
