**Traffic Safety Rules- Deer Valley High School**

Dear Parents,

In an effort to keep everyone safe, here are a few reminders for your child's safety as well as your own.

- Please remember when dropping your student off at the beginning of the school day or picking them up in the afternoon in the front lot, to pull over to the right curb. Leave the left hand lane for traffic to flow through. It is not safe for your child to cross in front of traffic when you let them off in the left hand lane.
- Please do not pick up or drop off your student in the staff parking lot located off of 51<sup>st</sup> Avenue or student parking lot located off of Union Hills during the hours of 7:00 AM to 2:30 PM. These are higher traffic times for our staff and students and everyone's safety is our top priority.
- There are additional parking spaces you may use when picking up in the afternoon. We have our overflow lot, which is in between our staff lot and our bike rack. You are more than welcome to park there and wait for your student.
- Whether you are waiting up front for your child or in the pull out area off of Union Hills, please remember to pull forward as far as you can and be considerate of others. When the car in front of you leaves, please pull forward and make room for the next person. It is not safe, nor is it legal, to stay parked in the right hand lane or block the driveway for schools busses to exit.

Let's all be safe on our campus and roadways!

Thank you,  
DVHS Administration and Security
