Dear Arrowhead Families,

We are very happy to announce changes in the configuration of the parking lot that will affect drop off and pick up procedures. The key to success for cutting down on congestion during these busy times will be that everyone follows the procedures.

Pre-School, Kindergarten are to be dropped off and picked up in the West Parking Lot where the office is located. 1st grade can be picked up and dropped off in the West Parking Lot as well. However, it works well to drop off 1st graders in the East Parking Lot where the Gymnasium is located. This allows them to go straight from your car to the playground. If students in these grade levels have older brothers or sisters, they are allowed to be picked up from either parking lot with their sibling.

2nd -6th grade students are to be dropped off and picked up in the East Parking Lot where the Gymnasium is located.

Another option for drop off / pick up is the back gate off of 73rd and Julie. Check out the map for further clarification.

Please follow the one-way flow of our parking lot, utilizing parking spaces if you need to leave your vehicle for any reason. Please do not leave your vehicle unattended while parked in the fire lane. A second exit from the south-west parking lot has been added which will allow cars to exit onto 75th Avenue using a right turn only.

Thank you in advance for your cooperation and support!

Sincerely,
