Hello Future Kindergarten Families!

A new year is upon us and we are excited to see your child at our school. We know the first day of school is a milestone in your family's life and we want to make sure that everything runs smoothly for this special occasion.

Each year we have students come to school prior to the first day to take some assessments. These are tools for us to use when balancing classes and planning our early weeks. The first few weeks of school are busy for students learning new routines and it can be challenging to assess each student one on-one. We strive to meet individual student's needs and these assessments are a valuable start to doing just that.

Our testing days are Wednesday, July 21st and Thursday, July 22nd. The testing session will not last more than 30 minutes.

You are invited to schedule your own time so it will be more convenient for you. We use an online scheduler called SignUpGenius which makes it easy for you. Simply follow the link below to schedule your time.

<https://www.signupgenius.com/go/409054FAEAD2EA31-20212022>

We have also provided a direct link on our website for your convenience.

Thank you,

Ms. Duffy, Ms. Brunt, Mrs. Fuzi and Ms. Stewart
