### **FROM THE HILLCREST CAFE:**

Parents and guardians, this is to inform you that when you need your students accounts blocked for ala carte or unblocked or to link or unlink them to call the cafeteria at 623-376-3314 or email the cafeteria manager at renee.flagler@dvusd.org. Only food service has the capability of dealing with your students' accounts. Refunds, negatives are also a food service issue.

We also want to inform you that blocking a student's account from buying lunch, whether it's only for a small amount of time or the whole year, will require documentation from the parent or guardian either in an email, or a letter from you. This is a rare occurrence but we just want you to know that unless documentation is written we never refuse a student a lunch.

It is also our policy to only contact the parent or guardian concerning any negatives on your students account. Unless a student asks the status of his account we do not give out information concerning negatives to them. Thank you and I hope this was helpful.

### **ATTENDANCE INFORMATION**

Please call the attendance line, 623-376-3390, if your student will be absent. If your student will be late we will adjust their attendance once they arrive at school, no need to leave a message. Due to the block scheduling this message has changed. If they will be absent for a full day's absence please leave the student's name, spell the last name, student ID and date. Please be specific as to the reason such as personal or illness. For illness please list major symptoms.

All calls left after 48 hours of absence will not be accepted. If you need to speak to someone please call the front office at 623-376-3300.

### *Social/Emotional Learning*

#### *"Falcon Flight Lessons"*

Hillcrest Middle School understands that the social/emotional needs of our students vary day-to-day, year-to-year. That is why we are dedicated to ensuring that those specific needs are met by conducting quarterly school-wide surveys to see what our students need the most. Hillcrest Middle School's SEL program is based on providing social and emotional support and growth for every student; our "Falcon Flight Lessons" are created with our students' needs in mind as we prepare them to leave the Falcon nest.

In addition to our SEL program, Hillcrest Middle School is also dedicated to recognizing students that exhibit positive behavior and kindness to others by rewarding them with Kindness Kash that can be used to purchase items in our Falcon Store. If you are interested in donating new or gently used items, please contact Mrs. Gabaldon ([jennifer.gabaldon@dvusd.org](mailto:jennifer.gabaldon@dvusd.org)). You can also purchase items from the Falcon Store's Amazon wishlist. Wishlist items are shipped directly to Hillcrest.

Thank you in advance for your contribution! Your donation will go toward our continuous promotion of academic achievement and behavioral competence. Please contact Jennifer Gabaldon if you have questions about the Falcon store, or donating items.

### \*\*\* INFORMATION FROM THE HEALTH OFFICE\*\*\*

\* Medication at School- Please see the School Nurse's website regarding DVUSD's medication policy for children who require medication, both prescription and over the counter medication, at school. There are documents that **must** be completed by a child's physician and/or parent/guardian and submitted to the Nurse's Office prior to any medication being brought to school. **Medication may not be carried by any student without prior approval from the school's health office.** No over the counter medication such as Tylenol, Motrin, Advil, cough drops, etc may be carried by a student on school grounds. It must be kept in the Health Office. Paperwork for children who require prescription medication to be given at school may be found on the School Nurse's website.

\*Immunizations: Written proof of your child's compliance with the State of Arizona's immunization requirements is a part of the registration process in Arizona Schools. State and Federal Law mandates that all school age children be immunized to prevent certain diseases. If you are unsure of the requirements for immunization, please contact the Nurse's Office. Immunization Exemption Forms are available through the school nurse if needed.

If you receive an "Immunization Notice" for inadequate or missing immunizations, please complete what is required by the date indicated in the notice.
