**HIGHLIGHTS:** This event is meant to assist students and parents through the instrument rental process. At this event, you will be able to talk with representatives from Music & Arts and to find an instrument rental package for your band student. You can place an order for an instrument rental, the method book that your student will need for class, and purchase other needed accessories for your student's instrument. While this event is geared toward first-time band students, current students and families are encouraged to attend!

\*\*\*Please note, unless playing a large instrument provided by the West Wing instrument inventory, all rentals through Music & Arts are a 3<sup>rd</sup> party rental contract and are managed by the music company directly, not West Wing.
