

REMINDER TO PARENTS whose children are 11yr.'s or will be turning 11 during the summer.

Your child will need their immunizations updated by the start of the NEW school year, Aug. 3, 2020.

The state now requires that all students receive their Tdap and Meningitis when they actually turn 11yr's - not just when they enter into 6th grade.

Reminder letters are being sent out to all parents whose children's immunization records are non-compliant.

Your prompt attention to this will be greatly appreciated, so that we can keep your child safe and healthy!
