ANNOUNCING FREE MEALS FOR ALL STUDENTS AT Sunrise Elementary: COMMUNITY ELIGIBILITY PROVISION (CEP) PROGRAM

We are pleased to announce that through the Community Eligibility Provision (CEP) of the National School Breakfast and Lunch Program, (Sunrise Elementary) will be providing breakfast and lunch to all students at no charge.

This is effective March 1, 2024, and will remain in effect at least throughout the 2024-25 school year. CEP will provide students in (Sunrise Elementary) with nutritious and flavorful meals, while eliminating the need for a Free and Reduced Meal application. At CEP schools, every student will be eligible to receive one free breakfast and lunch meal. Additional meals and a la carte items will continue to be available at regular pricing.

We look forward to serving your students nutritious meals at school!
