

HOW TO ERASE ALL DATA FROM YOUR IPAD

1. Launch the **Settings app** from the **Home screen** on your iPad.
2. Select the **General** icon (looks like the icon for the settings)
3. Scroll to the bottom and select **Transfer or Reset iPad**.
4. Select **Erase All Content and Settings**
5. Select the **Continue** button at the bottom
6. Enter your 4 to 6 digit passcode that unlocks your iPad.
7. You will skip this step if you are not signed in to an Apple ID account OR you are signed in to your school issued Apple ID that ends in @appleid.dvusd.org
Enter **your personal Apple ID Password** if needed.
8. Select Erase iPad
