Sierra Verde STEAM Academy's

SENIOR Walk 2022

Monday, May 16th

Arrival time: by 9:30 am

Start time: 9:45 am

The Sierra Verde staff would like to welcome back all graduating high school seniors that attended our school (8th grade promotional class of 2018). Graduates are invited to do a final walk through the campus. Please wear your high school cap and gown so that you may be honored in front of the entire school for your achievement.

Graduates will enter the campus through the library entrance. The ceremony will start promptly at 9:45 am. We are excited about celebrating this moment with our graduates and having them on campus again! If you have any other questions, please contact Steve Connolly at steve.connolly@dvusd.org.

Congratulations to all our graduates! Once a Viper, Always a Viper!
