Dear Stetson Hills' Families,

Stetson Hills is preparing for short-term virtual learning when we return from Winter Break. We wanted to share important information with you regarding this transition. Kindergarten through eighth grade students will be virtual from January 4 through January 15. There is no school January 18 for Martin Luther King Day, students will resume in person learning, Tuesday, January 19.

Students will be following their normal daily schedule on Zoom while we are virtual. This is not the same schedule as what was followed when we were virtual first quarter. Your child will be expected to attend all virtual classes, including specials, from 8:45-3:30 just as they would if they were in person. Attendance will be marked daily.

Kindergarteners will be using IPADS at home, while students in grades 1-8 will utilize Chromebooks. Your child will bring their device and charger home this week. Please contact the teacher if you have a 1st-3rd grader and will not need a device sent home. Students will use the Canvas learning management system as they did during the first quarter. Here are some quick references to technical support resources:

We also encourage you to watch the next Parent Webinar via Zoom this Wednesday, December 16 from 6:00-7:30 p.m. from Transitions Counseling about providing mental health support during COVID-19. Please continue using the district's Covid-19 reporting form <https://url.dvusd.org/COVID19ReportingForm> while we are on break and during virtual learning.

We understand that this temporary transition to short-term virtual learning may be a challenge, but the staff at Stetson Hills remains committed to providing an extraordinary academic experience. Remember, we are #StallionStrong! Thank you for your continued support. We look forward to seeing everyone back in person on January 19!

Sincerely,
