## **ENROLLMENT NOW OPEN FOR THE 2022- 2023 SCHOOL YEAR!**

# TAB TOP 10:

---

- 1.** A **Back to Basics philosophy** means that we have high expectations for students not just academically, but also behaviorally. We want our teachers' and students' focus to be on **LEARNING** the whole day!
- 2.** Our **accelerated curriculum** includes **Spalding** (K-2nd, with emphasis on phonics base foundation), **Open Court** (3rd-5th), **Study Sync** (6th) for ELA and **Saxon Math** for all grade levels.
- 3.** Our school was the **only school in the district** to make gains on the AzM2 state test for both Reading AND Math!
- 4.** **Amplify, Dreambox, and IXL** are just a few of the online intervention programs used to supplement and fill gaps in individual student's learning.
- 5.** Multiple **gifted opportunities** means that your child can excel far beyond other schools in the district. With our own gifted specialist, we offer **SPARK** enrichment for Reading and critical thinking and **Walk Up To Math** through 7th grade.
- 6.** One of our top values is focusing on the whole-child. Our **All Things EQ** program pairs emotional growth and understanding with mentorship from teachers. Another key to our success is **parent support and involvement**. We believe the greatest growth comes from a strong partnership between school and home.
- 7.** **Capped class sizes** means students get more individualized instruction and stronger relationships with teachers.
- 8.** We utilize **Rosetta Stone** for K-6 grade to have the opportunity to learn Spanish at the elementary level. This greatly prepares our students for potential middle school electives!
- 9.** **After school clubs** currently include Spanish Club and Student Council with more to be added in the future!
- 10.** From last school year to our current school year, we had **100% of staff return** and one of the highest employee satisfaction scores from our teachers. Safe to say, our teachers and staff love TAB! We also have 5 recipients of **DVUSD Teacher of the Year** on staff!
