## PSAT 8<sup>th</sup> Grade Testing Spring 2020

### About the PSAT 8/9

- The PSAT 8/9 helps students determine what they need to work on most so that they're ready for college when they graduate from high school—and it can support educators as they guide the way.
- The PSAT 8/9 tests the same skills and knowledge as the SAT, PSAT/NMSQT, and PSAT 10—in a way that makes sense for eighth and ninth graders. It measures what they're already learning, shows them whether they're on track for college, and lets them know where they need the most improvement. That means students have time to tackle these areas long before they take the SAT.
- 8<sup>th</sup> Graders have the opportunity to test on two weekend dates listed below
- 9<sup>th</sup> Graders can test at their school by contacting their counselor
