

Virtual

High School to Career Expo

October 29, 2020

Bioscience
Project Lead The Way
Biomedical Sciences

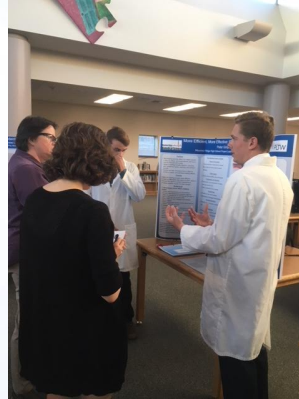

What will you experience in Bioscience?

- Experience hands-on activities in forensics, disease research, prosthetics, and medical disaster drills
- Use cutting-edge technology to design innovative solutions for today's most pressing health challenges
- Design, conduct, and analyze a wide range of scientific experiments to solve medical mysteries

How will you gain a competitive advantage?

- Certifications
- Internships/Scholarships
- National Competitions

Professional Skills

All CTE programs use Arizona Department of Education Professional Skills to guide students in their development for College and Career Readiness

Industry and businesses consistently ask for these skills

Our programs focus on skills such as:

- Attendance and Engagement
- Communication Skills
- Positive Attitude and Professionalism
- Work Effort

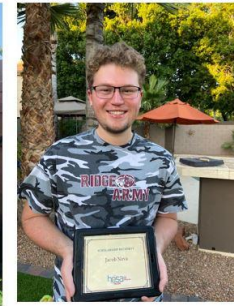

Career & Technical Student Organization (CTSO)

All students in a CTE program are members of the local chapter while in the program

Congratulations HOSA Scholarship Winners
