Digital Communications

What will you experience in Digital Communications?

- Collaborate with peers to publish digital media, articles, and school newspapers
- Master the art of interviewing, writing, publication design, and photojournalism
- Create a professional portfolio showcasing digital photography, print, and social media

How will you gain a competitive advantage?

- Certifications
- Internships/Scholarships
- National Competitions

Professional Skills

All CTE programs use Arizona Department of Education Professional Skills to guide students in their development for College and Career Readiness

Industry and businesses consistently ask for these skills

Our programs focus on skills such as:

- Attendance and Engagement
- Communication Skills
- Positive Attitude and Professionalism
- Work Effort

Career & Technical Student Organization (CTSO)

All students in a CTE program are members of the local chapter while in the program
