

Baked/Processed Birthday or Celebration Treats List

ALL classrooms at Legend Springs School are nut-free areas. **This includes foods processed in a factory that also processes nut-containing foods.** Unfortunately, **most bakery items**, including cupcakes and donuts, are included in this group of foods, so they are not allowed. Of course, **we welcome fresh healthy foods, such as fruits and vegetables**, however, if they are not whole, they must be commercially packed for safety reasons. This includes meat and cheese trays. Individually packed fruits, veggies and snacks are a great idea too!
