

DVUSD Strategic Planning

Focus Groups

We want to hear your ideas to help shape our future!

Throughout the 2016-2017 school year, DVUSD will be gathering input from all stakeholders in support of refining our core values and strategic plan. All students, staff, parents, and community members are empowered and encouraged to provide feedback regarding the current status of our strategic plan. We will examine ways to refine, refocus, and recommit to our district's key strategic objectives. Continuous improvement is a journey, not an event.
