### Goals

#### Priority Area 1.1.1

Priority	Component	Objective
Excellence in Student Learning	College and Career Ready Program of Study	Deploy a guaranteed and viable curriculum in every classroom.

#### Goal Description

By May 2017, 100% of Sunset Ridge students will demonstrate academic growth as measured by district benchmark assessments (DIBELS, DVMA, DVRA), and PLC created formative assessments. Specific student goals will be developed in conjunction with collaborative teams after beginning of the year benchmark data is collected and analyzed. Goals will be differentiated based upon the student's current level and need.

#### End of Year Summary

#### Key Measures

•Key Measure (Summative) - Change in AZMERIT (or State assessment) performance

#### Priority Area 2.2.1

Priority	Component	Objective
Excellence in Workforce Performance	Workforce Development to Meet Organizational Needs	Establish and maintain a collaborative learning environment.

#### Goal Description

100% of Sunset Ridge teachers will attend MTSS/PLC2 monthly meetings as measured by number of identified students, determined interventions, monitoring effectiveness, and revise/extend interventions as needed.

#### End of Year Summary

#### Key Measures

•

**Priority Area 3.1.1**

Priority	Component	Objective
Excellence in Stakeholder Relationships	Effective Communication	Deploy successful communication strategies to exceed the key needs of all stakeholder groups.

**Goal Description**

100% of the PLC2 teams will utilize the teaching cycle as documented in MTSS/PLC2 documentation for targeted intervention plans.

## Feedback

Goal	1.1.1 By May 2017, 100% of Sunset Ridge students will demonstrate academic growth as measured by district benchmark assessments (DIBELS, DVMA, DVRA), and PLC created formative assessments. Specific student goals will be developed in conjunction with collaborative teams after beginning of the year benchmark data is collected and analyzed. The reading goals reflect differentiation by specific grade level bands which will further support your efforts. How might the goals be refined to reflect a tiered growth model to support the movement of all student subpopulations? What in-process measures will be used to measure progress toward goal attainment to ensure you are on track?

Goal	2.2.1 100% of Sunset Ridge teachers will attend MTSS/PLC2 monthly meetings as measured by number of identified students, determined interventions, monitoring effectiveness, and revise/extend interventions as needed.

The goal has all the components of a SMART goal and includes the measurement tool that will illustrate goal attainment. Questions to Ponder: What baseline data led to determining this goal? What protocols are in place to ensure an increase in collaboration by all during MTSS meetings, PLT's, and work teams? What in-process measures can be utilized to track progress towards goal attainment?

Goal	3.1.1 100% of the PLC2 teams will utilize the teaching cycle as documented in MTSS/PLC2 documentation for targeted intervention plans.

The goal includes stakeholders and is supported with a specific action step "parent workshops", and a responsible party "parent liaison".  
Questions to Ponder: How might the data from last year be used to create in-process measures for this year? Is there a way to align this goal to support 1.1.1?

Goal	4.3.1 100% of Sunset Ridge teachers are involved in the implementation of MTSS processes as evidenced by intervention plan documentation.

The use of student data folders is very powerful tool. Allowing the students be engaged in their learning and take ownership of it will have a positive impact on student learning.  
Questions to Ponder: What structures might need to be in place to ensure consistency across grade levels with the use of data binders/folders?
