If you have forgotten your password, please email Mandarin Matrix’s Help Desk at help@mandarinmatrix.com, and we will be able to retrieve or reset the password for you. Alternatively, you can ask your teacher to help resetting your password.
Student Account’s Main Page
Main page can be divided into 3 sections:

- **Recent Section**
  3 readers that are most recently read will be shown here.

- **Assignments Section**
  All the assigned readers that haven’t passed due date will be shown here.

  Each book here is listed with **Book cover image, Book title**, and also **Reader’s assigned due date**.

  5 readers that are closest to the assigned due date will be shown here initially. Student can click **“Show More”** button to see the more readers under this section.

  Readers that passed the assigned due date will be automatically moved to the **“Library Section”**, which student **would not** be able to submit the test answers in those overdue readers.

- **Library Section**
  All the overdue readers will be shown here. 10 readers will be sown here initially, student can click **“Show More”** button to see more readers. Student can reread the readers, and redo the exercise within each readers.

Readers’ Format and Content
Student can click the reader cover under “Assignment Section” or “Library Section” to access the reader content.

Each reader is divided into 3 sections: Reading pages, Exercise Section and Test Section.

Click the buttons next to the Chinese text to access different content (starting from the top): Chinese audio, Enlarged Chinese Text, Pinyin and English translation.

Navigate to different parts of readers
There are 3 shortcuts to navigate to different section

➢ 读： "Reader Page"
➢ 练： "Exercise section"
➢ 测： "Test section"

Student can also click the “Arrow button” to turn pages, or alternatively enter the page number in the “Page Number Box” and go to a specific page directly.

Coins are granted by completing all reading pages and exercises in a reader for the first attempt (the student will not get coins by redoing the same reader).

Earned coins can be spent in the “Shop” section to buy “Games” and virtual “Goodies”.

Format of Exercises
Exercises are divided into 4 learning areas: Reading, Writing, Listening and Speaking. You can practice as many times as you want to improve your performance:

- Reading Matching: Match the correct word with the picture
- Reading Multiple Choice: Circle the correct word that matches the picture
- Writing Stroke Order: See the stroke order illustration and practice in the empty box
- Listening Matching: Match the correct word with the Chinese recording
- Speaking Oral Practice: Listen to the Chinese recording, recite and record your audio to check if pronunciation is accurate
**Format of Tests**

In **Exercise Section**, you can check your own answers to see if it is correct.

While in the **Test Section**, you will need to submit test answers to the system, which then your teacher can see those submitted answers via their teacher account.

Click the **"Submit button"**, and you will see a **"pop-up window"** to ask for confirmation.

Click **"Confirm button"** if you want to submit test answers onto the system, and it will bring you to the next testing page; Click **"Exit button"** to stay on this page to edit your answer.

*Do always remember to click **"Submit button"** to save your answer, and that’s the only way that the answers can be recorded to the system. If you click **"Arrow button"** to turn to other page, no answers will be sent or recorded.*

(And you should always complete your test before its assigned due date, because the **"Submit button"** will be disabled when the reader is overdue)
Check Your Progress
After submitting the test answers in the last page, you will be redirected to the "Progress page". Alternatively, you can go to progress page via clicking “Progress button” on the menus.

You can check your score for the readers in this section. The reader list can be filtered by different perimeters: “Difficulties”, “Due dates”, and “Assignment Status”:

- **Difficulty**: Sorting by the reader difficulty (Ascending or Descending)
- **Due Dates**: Search for readers that fall into different time range, or manually enter a specific time range to do the search
- **Assignment Status**: Search the book that are completed or not completed (Reader that has all test answers submitted will be counted as completed)

In the progress section, you can click the “Book cover” to enter into the reader. And you can redo the tests in the readers as many times as you want, as long as the corresponding reader hasn’t pass the assigned due date yet.

The score you earn with each reader will add up to be your total personal score.
