Other considerations:

1) Backpacks should be large enough to accommodate notebooks and supplies. Books are online, so students will not have text books to carry. Please note that we are conscious of the weight of your child's backpack and are trying to keep it to a minimum. Students should carry only what they need for the quarter and restock when necessary.

2) Students will need closed-toe shoes to participate in Physical Education.

3) When buying clothes for school, please be mindful of school dress code:
"Clothing must cover the entire buttocks. Shirts and tops may not expose bare midriffs, bare shoulders, nor be deeply or narrowly cut in the front, back, or under the arms. Halter-tops, spaghetti straps, and strapless tops are not acceptable. Clothing that exposes undergarments will not be tolerated for males or females."

Arizona law requires that public schools provide supplies required for academic success. This list represents optional, supplementary items which you may supply, at your discretion. If you have any questions, please feel free to contact the school.
