

Concert Etiquette

Before Taking Your Seat:

- ◆ Take care of all restroom needs.
- ◆ Set up recording devices before the performance in a way that does not distract performers or other audience members.
- ◆ **No flash photography** until after the performance. Camera flashes are a **MAJOR** distraction to our young performers.
- ◆ Silence all cell phones, wrist watches, alarms, and devices that make noise. The only sounds that should be heard are those from our young performers (and enthusiastic audience applause after each selection).

Upon Taking Your Seat:

- ◆ Reflect on your elementary and middle school experience.
- ◆ Watch the conductor carefully as she gives cues to the orchestra helping them to play the music as they've rehearsed.
- ◆ Enter and exit your seat only between selections. If possible, wait to move until the audience applauds after a selection.
- ◆ You may remove a restless or crying child at any time.
- ◆ Remain seated and quiet while musicians are playing. Endeavor to sit without fidgeting that may distract your neighbors or the performers.
- ◆ The conductor may ask your participation by clapping or singing along. Take your cue from the conductor - as do the orchestra members.
- ◆ Don't talk during a performance. If you must talk, whisper directly into your neighbor's ear so those nearby cannot hear your comments.
- ◆ Show appreciation by applauding at the end of each selection. Standing as you clap shows the orchestra their performance was particularly outstanding!

Cielito Lindo

(Spanish Lyrics)

VERSE

De la Sierra Morena,
cielito lindo, vienen bajando,
un par de ojitos negros,
cielito lindo, de contrabando.

x2

CHORUS

Ay, ay, ay, ay,
canta y no llores
porque cantando se alegran,
cielito lindo, los corazones.

INSTRUMENTAL

VERSE

Ese lunar que tienes,
cielito lindo, junto a la boca
no se lo des a nadie,
cielito lindo, que a mí me toca.

x2
