Dear Mandarin Parents:

One of our parents has created a closed Facebook group just for the parents in Gavilan Peak's Mandarin Immersion Program.

This page is to keep you updated on all the fun things that GP has going on as well as meet-ups to expose our students to great opportunities outside our community. Please join our page to stay in the know!

Facebook page: **Gavilan Peak Mandarin Program Parents** and **Gavilan Peak**

This is a closed group so you will have to enter your child's teacher and grade to keep this page safe and intimate for only Mandarin Parents.

If you have any questions please contact me for further information on how you can be involved to support our amazing program!

Thank you for your continued support and ongoing help!
