	classified
Rotate	Special Education teacher – certified
Melanie Begnoche	Math – Title I
Eric Cookman	MTSS Representative
	parent

2018-19 CIT meetings will held on the second Thursday of each month starting with August 14, 2018. There are 2 exceptions and they are in February and May.

### Mission Statement:

*The Park Meadows community will provide a safe and orderly environment with expectations of academic success, open communication, development of strong character, and respect for diversity while preparing students for an ever-changing world. The staff, students, families and community of Park Meadows will be advocates for the academic excellence and personal growth of all.*

# 1. Goal Team Reports

## Math:

- Plan on a meeting in the new few weeks.

## Reading:

- Plan on a meeting in the next few weeks.

## Science and Technology:

- We have a Science Night, The Amazing Brain, scheduled for Thursday, 9/20. This PTA sponsored event will be from 6-8 pm. There will be tons of hands-on activities and make-and-take activities. The Mad Scientist will be roaming around, and there will be giveaways and 25 cent raffle drawings.
  - The PTA has arranged for the AZ Science Center to bring in engaging activities for all grade levels.

## PBIS:

- The Park Meadows playground video will be remade this year, and there will be a microphone for better audio. Show our video throughout the year and reiterate the playground rules. If someone gets seriously hurt on the playground, the grade level of the injured student needs to watch the sock monkey playground safety video.

## PTA:

- Saturday, October 27 – PTA Goodwill Drive from 10-12 am...PTA will be in the Park Meadows parking lot by 8 am if there are any early drop-offs. Our goal is 5,000 pounds – that would bring in \$500.

# 2. Student Council Update:

- N/A

# 3. Miscellaneous:

- Cityview Church will be providing dinner for teachers and support staff on campus during conferences on Thursday.
- Math activities and make-and-takes will be in the hallways (Cookman will be in 2/3 and Begnoche will be in 4/5) during P/T conferences on Thursday.
- Reading activities will be in the courtyard and Kindergarten corridor during P/T conferences on Thursday.
- Saturday, October 27 – Love Our Schools Day...volunteers will be coming in to spruce up our campus, including repainting the playground US map! ☺ The volunteers will also be creating educational support materials for us. This includes making parent pick-up car hangars, die-cut sets, and flip books. ☺
- Buddy rooms for discipline – 6<sup>th</sup> grade will buddy with 3<sup>rd</sup> grade for any discipline issues.
- Tier 2/Tier 3 – we need to get the kids there on time. Students need to be at the lab by their scheduled time to ensure they are truly getting 30 minutes of intervention.
