DISMISSAL

August 27, 2018

Hello Kindergarten Families,

The Kindergarten Team would like to make you aware of a **small change in the dismissal routine that will begin on this Wednesday, August 29, 2018**. Your child will continue to be dismissed from the kindergarten classrooms, where an approved individual will need to check them out. The change in the routine is the classroom from which some students will be released from. Please refer to the list below to know the classroom your child will be waiting for you at to be checked out.

- Mrs. South's homeroom class released from room 204
- Mrs. Rose's homeroom class released from room 202
- Mr. Tsang's homeroom class released from room 204 with Ms. Chen
- Ms. Chen's homeroom class released from room 206 with Mr. Tsang

Thank you for your attention to this small change. We appreciate your understanding. Should you have any questions, please do not hesitate to contact your child's homeroom teacher.

Again, this change will begin on Wednesday, August 29, 2018.

Thank you,

The Kindergarten Team
