

2nd GRADE CURRICULUM Night

*Ms. Brody

*Ms. Leman

*Ms. Noriega

*Mrs. Odom

*Ms. Yahner

2nd GRADE CURRICULUM

Curriculum Focus N i g h t

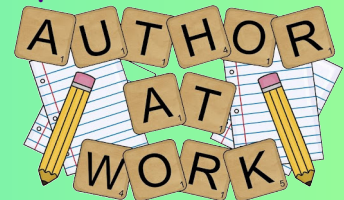

*Reading focus for the first half of 2nd grade includes learning sight words, building fluency and decoding skills through phonics instruction. The second half of the year is more of a transition to reading to learn, rather than learning to read.

*The first half of 2nd grade math is about building skills that will assist us adding and subtracting up to 1000, with and without regrouping.

*2nd grade writing is focused on developing pieces of writing: narrative, opinion and persuasive writing. We focus on the basics with building proper sentences, and forming proper paragraphs. We also are working on responding to a question or prompt.

2nd GRADE CURRICULUM Night

Grading

Students will have grades posted in Powerschools.
Parents should check this regularly/weekly.

~40% of a course grade is classwork/homework

~60% is based on assessments and tests

***Standards grades are given. Look at these for mastery.

4= above grade level work without support

3= mastery at grade level without support

2= mastery at grade level WITH support

1= not reaching mastery even WITH support

2nd GRADE CURRICULUM Night

Homework

*Reading~ Reading Logs, Fluency passages that come home with weekly spelling. Due date is on the packet. It is NOT due every Friday.

*Math~ We usually do a lesson a day, there may be a few problems marked on the homework page for students to do that night and return the NEXT day.

*Parent Expectations: Check the organizer and homework daily, support your child with spelling activities and monitor their reading log.

*Looking for further resources? You have a private tutor in your home...Dream Box, Amplify Reading.
