

2020-2021 Sierra Verde STEAM Academy

Revised 5th Grade Supply List

**Arizona law requires that public schools provide supplies required for academic success. This list represents optional, supplementary items which you may supply, at your discretion. If you need assistance with school supplies, please contact your child's teacher - we are happy to help ensure that your child has everything he or she needs to be successful.*

***** Due to our Return to Learning plan for virtual learning at home, the highlighted supplies are suggested. These items will help your child stay organized and be successful as we navigate the first quarter of 2020-2021.**

- Backpack (consider a rolling backpack since students do not have personal desks to store belongings; all personal supplies MUST fit in backpack, so a larger backpack is ideal)
- Zippered pouch for pencils/supplies (must fit in backpack)
- 1 heavy-duty two-pocket folder (label the inside pockets "take home" and "bring back"; with or without prongs is fine; can be "fun" or plain, just not green, red, or purple)
- Pencils (sharpened or mechanical)
- Hand-held sharpener if using regular pencils (must collect the sharpenings) OR lead replacements if using mechanical
- 2 red ink pens
- Scissors
- 2 different colored highlighters (yellow, pink, or orange preferred - avoid dark colors)
- Colored pencils, crayons (16 or 24 count), and/or thin markers or fun "flair" pens (8-16 count)
- Glue sticks (used daily in all classes - students will need multiple throughout the year)
- Dry-erase markers (used daily in math - students will need multiple throughout the year)
- Homemade whiteboard (a sheet of white paper inside of a sheet protector)
- Personal earbuds or headphones (these can be found at dollar stores)
 - These might be helpful depending on your home learning environment - some students might prefer them and others might not
