## CLASSROOM NEWS

We've had a great beginning to our 5<sup>th</sup> grade journey! We were able to do lots of team building and *getting to know you* activities. We finished off the week with a few more students than we started with. However, this group of children has demonstrated immense flexibility, patience and respect. I'm really proud of how they have handled this transition.

Homework is an essential part of your child's educational experience. In order to make it truly meaningful, students are to read at least 20 minutes at least 5 days a week. Occasionally, assignments in class will relate directly to this personal choice reading. In addition, homework will be assigned on an as needed basis to practice specific skills.

## EVENTS

- Library is every Thursday.
- Every Friday in August is an Early Release day. 1:30 dismissal.

## TO-DO
